Report of Selectmen

To the Citizens of the Town of Millbury:

The Board of Selectmen respectfully submit the reports of the various Town Officers for the year ending December 31, 1970.

Attendance records from July 17, 1970 through December 31, 1970.

	<i>No. of Meetings Held</i>		<i>Present</i>	<i>Absent</i>
Frederick E. Lucas	6	3	3	3
Robert L. Maynard	27	27	0	0
Hymen J. Hy Sclar	27	26	1	1
Harold F. Ostrowski	12	12	0	0

On January 13 Speed Zone Regulation's Permit #506 was signed by the Board of Selectmen effecting South Main Street, Wheelock Avenue, Elmwood Street, Carleton Road and Greenwood Street. Along with those streets previously approved and the posting of radar signs at the entrances to Town, the police will have the necessary tools to reduce and control speeding motor vehicles in the Town of Millbury.

On April 7, 1970, Russell G. Gover, the Highway Surveyor, tendered his resignation due to health reasons to the Town Clerk. The Board of Selectmen accepted his resignation with regrets and commended Mr. Gover for his many years of dedicated service.

On April 21st the Board held interviews with six candidates for the office of Highway Surveyor. After serious deliberation the Board appointed Donald J. Army (a Highway Department employee with more than twenty years of experience in highway construction and maintenance) Highway Surveyor until the next Annual Town Election to be held March 13, 1971. After eight months of working with Mr. Army, his cooperation and dedication tends to reinforce the decision made by the Board in April.

In late April the Conservation Commission brought to the attention of the Board a possible violation of the Hatch Act — later confirmed by the Massachusetts Department of Natural Resources. Because of the refusal of the developer to cooperate with the Board of Selectmen and his refusal to stop work on request of the Board of Selectmen, on May

26th Town Counsel filed a Bill of Equity and a temporary restraining order was issued to prevent further development of land off McCracken Road. Because of the dedication of the Conservation Commission and the action taken by the Board, orders were issued by the Massachusetts Department of Natural Resources compelling the developer to comply with the provisions of the Hatch Act, specifying changes to be made in development. An agreement was also made to allow "on site inspection" by a town-appointed engineer thereby protecting the best interest of all citizens of the Town of Millbury.

In June after research by the Board and with the assistance of the Wire Inspector, Irving R. Gabrie, wire inspection fees were set by the Board making this department self supporting.

On June 9, 1970, with the cooperation of the Chief of Police, the Board of Selectmen approved and adopted regulations guiding the conduct of the Millbury Police Department.

On June 30, the Board reappointed three members of the Conservation Commission who have provided an outstanding service to the Town.

On June 30, Selectmen received notice from Attorney Dyer that the case involving the Despre Property on Grafton Road in East Millbury had been dismissed in Superior Court. This makes the property Town property available for future town use. At a later date the Selectmen gave permission to the Fire Engineers for temporary use of this property until the Town Meeting decides a permanent use.

September 22nd the Board held a public hearing on cable TV at the high school auditorium. Two cable companies (Video Link and Parker Cablevision) were invited to answer questions about their companies. Most of the questions were informational and because there has been very little demand for this service, and a number of questions left unanswered, the Board will make further study of cable television.

The Board obtained easements off Forest and Philips Drive granting the Town permission to build and maintain a shallow earthen dam at the Forest Drive end of Luikey Pond. The Highway Department will build this dam in the spring of the year 1971. The Board of Selectmen wish to publicly thank the neighbors on Forest and Philips Drives who stood to gain nothing personally but, in fact, made a personal sacrifice for the sake of their neighbors who have suffered much from flood damage in the past.

11/11/71

In the first week of September the Town Clerk received the resignation of Chairman of the Board of Selectmen Frederick E. Lucas. It was with a great deal of regret that the Board accepted the resignation of Mr. Lucas and we wish to take this opportunity on behalf of all the Townspeople to thank "Fred" Lucas for his many years of dedicated public service.

Because of the tremendous responsibility placed on the Board of Selectmen and the loss of a tie breaking vote and with six months remaining until the Town Elections, the Board voted to call a special election and set the date for October 24, 1970. The voters of the Town elected Harold F. Ostrowski, 23 Hayward Lane, to fill the vacancy.

On September 15, the Board appointed one Permanent Police Officer, Lincoln D. Barton of 34 High Street.

The Board also appointed a Teenage Drop-in Center Committee to seek state or federal aid and to search for an area to be used by the Town's youth.

October 20th, bids for Walkie Talkies and radar were awarded to Central Equipment Company of Millis, Massachusetts. It is anticipated that the Town will be a much safer place to walk and drive, and the nuisance of speeding vehicles will be reduced considerably.

Because there were no candidates on the Civil Service list, the Board received permission from the Civil Service Commission to appoint a temporary police officer; on November 10, six candidates were interviewed and Edward R. Perry, 8 Waters Court, was appointed.

One of the prime responsibilities of the Board of Selectmen is to enforce all Town By-laws. Many hearings involving vicious dog complaints and zoning violations were held. They were too numerous to elaborate on each one individually. A decision was rendered in all cases.

On November 4th the Town Clerk received the resignation of James J. Cassidy, Town Auditor. Mr. Cassidy has served continuously at this post for forty-four years. Again the Board for the entire Town, wants to publicly thank "Jim" Cassidy for his many years of dedicated public service and wish him well in his retirement.

The Selectmen, in cooperation with the Planning Board, appointed a Capital Needs Committee. This committee with the cooperation of all town departments will determine the

capital needs of the Town for the next ten or fifteen years and will establish priorities to assist the Finance Committee and the Town Meeting.

The Selectmen have agreed to remodel the Town Hall with the intention of bringing all town offices out of private homes and into one building. It is our firm belief that with the cooperation of our Regional School Committee Member, Leodore J. Tebo, Jr., and the Blackstone Regional School this project can be completed in two or three years at very low cost to the taxpayer; thus affording the Town a very serviceable town office building for the next twenty-five or thirty years. The State Building Inspector, William De-Flavio, gave the Town a clean bill of health on the structural conditions of the Town Hall on November 24, 1970. An article will be in the Warrant to ask the Town Meeting to start this project in 1971.

The Board adopted three additional provisions of the Obedience to Traffic Control Signals (Pedestrian Control Law) to enable the Town to install a pedestrian control signal on Providence Street at the housing for the elderly.

On November 10th the Board, after a public hearing, awarded a All Alcoholic Pouring License to the Clearview Golf Club.

On December 21, the Board with the cooperation of the Highway Surveyor adopted regulations setting specific rules for backfilling openings in public streets by private contractors and utility companies placing the responsibility for inspections and final approval with the Highway Surveyor.

On December 8 the Board appointed Oran David Matson Director of the State Census.

In 1970 the Clerk of Courts approved a standard no fix ticket to be used by the Millbury Police Department.

On December 28, the Board adopted and sent to the State Department of Public Works for approval a Winter Parking Ban that, when approved, can and will be enforced by the Police Department. The reason for a Winter Parking Ban is the high cost of snow removal throughout the whole town and the unsafe condition of streets and sidewalks without a parking ban. It is the unanimous opinion of the Board that the entire community will best be served by a Winter Parking Ban.

On December 28th the Board sent to the Town Clerk and the Massachusetts Department of Public Works for

approval newly adopted and completely reviewed and amended parking regulations. Many months of work by the Parking Study Committee, the Chief of Police and the Board of Selectmen went into this project. The Town now has a comprehensive set of Parking Regulations approved by the Massachusetts Department of Public Works (Permit Numbers 3-361 and 3-362) and are completely enforceable.

The Parking Study Committee is looking into the possibility of more off street parking and will report their findings at a later date.

It goes without saying that a year of progress such as 1970 could not have been possible without the unselfish cooperation of all town department heads and many dedicated citizens.

The Board of Selectmen wish to take this opportunity to express their sincere thanks to all who have assisted us in our work.

Respectfully submitted,

ROBERT L. MAYNARD, *Chairman*

HYMEN J. HYSCLAR, *Clerk*

HAROLD F. OSTROWSKI, *Member*

Report of the Sealer of Weights and Measures

To the Honorable Board of Selectmen:

This Dept. has checked and sealed 183 various types of weighing and measuring devices. Trial weighings were made on prepackaged goods in all stores to assure honest weight.

I have attended all meetings pertaining to my department.

Respectfully submitted,

F. JOSEPH BRADY

Sealer

Report of Wiring Inspector

To the Honorable Board of Selectmen:

I, as the Millbury Wiring Inspector, respectfully submit my annual report for the year ending December 31, 1970.

Paid fees became effective June 15, 1970.

This department made 253 inspections.

All permit fees have been turned into the Town of Millbury.

No fee calls	101
Paid inspections	152
Total Collected	\$681.00

Applications for wiring permits can be obtained at the Town Clerks Room or by dialing 755-8915 anytime after 5:00 P.M.

Respectfully submitted,

IRVING R. GABRIE

Wiring Inspector

Veterans' Service Department

To the Honorable Board of Selectmen:

As Veterans' Agent, I herewith submit my report of services rendered for the year ending December 31, 1970. The Auditor's report will give all expenditures, reimbursements and financial reports.

This year 30 Millbury Veterans were admitted to the Veterans Administration Hospitals with 68 veterans treated in the VA clinics in Worcester and Boston. In 1970 there were 830 applications completed, processed through this office and were forwarded to Local, State and Federal Departments. These applications were for Burial Allowances, Widows' Pension, Veterans Pensions, Viet Nam State Bonus, Veterans' Aid, plus correspondence to the different Services, Civil Service etc.

Recent Enacted Legislation:

Public Law 91-506 approved October 23, 1970, effective October 23, 1970, known as the "Veterans Housing Act of 1970," changes the Veterans Administration Loan Program as follows:

1. Eliminates the termination dates for W.W. II and Korean Conflict veterans for a guaranteed loan for the purchase of a home, farm or for a business loan and makes all loan guaranty available until used.

2. Authorizes the restoration of unused expired entitlement to Veterans of WW II and the Korean Conflict.

3. Authorizes refinancing of existing mortgage loans on a dwelling or farm residence owned and occupied by a veteran.

4. Authorizes guarantee of a loan to purchase a one family residential unit to be owned and occupied by the veteran as a home in a condominium housing development or project.

5. Eliminates the one half percent funding fee heretofore required of veterans of post-Korean service.

6. The VA is authorized to guarantee loans for the purchase of mobile homes subject to the following requirements:

A. The amount of the loan may not exceed the following:

1. \$10,000.00 for a maximum period of 12 years and 32 days for a loan for purchase of a mobile home only and such additional amount as it is determined by the VA to be appropriate to cover the cost of necessary site preparation where the veteran owns the lot, or

2. \$15,000.00 (not to exceed \$10,000.00 for the mobile home) (for a maximum period of 15 years and 32 days for a loan for the purchase of a mobile home and an undeveloped lot on which to place such home and such additional amount as is determined by the VA to be appropriate to cover the cost of necessary site preparation.

3. \$17,500.00 (but not to exceed \$10,000.00 for the mobile home) for a maximum period of 15 years and 32 days for a loan for the purchase of a mobile home and a suitable developed lot on which to place such home.

The amount of the loan guarantee for a mobile home may not exceed 30 percent of the unpaid balance of the purchase price.

B. The mobile home must be occupied by the veteran as his home.

C. Loans may not be guaranteed prior to December 22, 1970 or after July 1, 1975.

D. The veterans loan guarantee eligibility is restored when the mobile home loan has been repaid in full.

I wish to thank the Board of Selectmen and all other departments for their continued co-operation.

FREDERICK E. LUCAS

Veterans Agent

Report of Emergency Dispatcher

To the Honorable Board of Selectmen, I submit my annual report. The calls received by the Emergency Dispatcher during the year of 1970 are listed as follows:

In-coming telephone calls	1,856
Out-going telephone calls	417
Calls sent over radio to cruisers	1,425
Calls answered over radio from cruisers	459
Fire alarm boxes rung	29
Calls to Highway Department	8

During the hours from midnight to 8 A.M., I answered 1,537.

Total number of calls recorded	4,198
--------------------------------	-------

Respectfully submitted,

PHYLLIS I. CARNEY

Emergency Dispatcher

Report of Safety Officer

To the Honorable Board of Selectmen and Citizens of Millbury:

I respectfully submit the following report for the year 1970. We had safety instructions throughout our school system. All programs were presented with the approval of the Chief of Policy and Supt. of Schools with the cooperation of Principals and teachers of respective school.

I have attended 11 Safety Officers meetings during the year, also three days' seminar at "Westfield Teachers College," Westfield, Mass.

Bicycle Safety: No bicycle accident was reported this year (I wish to thank the Millbury Aux. Police for the fine job they did in making the bicycle inspection and registration a success). We inspected 180 bicycles; this year I hope to extend the program to include Motor Cycles and Mini Bikes. Everyone who is interested, contact Safety Officer Lauzon by telephone or leave a note at Police Station.

Marking Crosswalks: Providence St. and Maple St. and Parkhill were the only places marked this year due to Sewerage construction in our roads. I hope we can get back to normal this year and have all crosswalks and center lines properly marked.

Safety education and Traffic Safety has improved, but everyone must accept responsibility for more improvement by abiding to traffic and parking rules and regulations. Since the "Winter No Parking Ban" has been established we have had less accidents and better snow plowing.

We accomplish a few successful programs of safety because of the fine cooperation and support from all Town officials and the willingness of the citizens TO BE SAFETY MINDED.

I want to thank all who help in my work. The Board of Selectmen, and Supt. of Schools for their encouragement and support.

The Chief of Police for his guidance and help—for without his full support and approval we would not have any worthwhile programs.

LET'S MAKE MILLBURY THE SAFEST TOWN IN WORCESTER COUNTY.

Respectfully submitted,

JOSEPH A. LAUZON

Safety Officer

Report of the Engineers of the Fire Department

To the Honorable Board of Selectmen:

The Engineers appointed by your Board met and organized as follows:

Kenneth L. Army, *Chief*
Alfred E. Caplette, *First Assistant*
Raymond H. Cross, *Second Assistant*
William J. Gibson, *Third Assistant-Clerk*
Donald G. Gover, *Fourth Assistant*

During the year No. 1 Company answered 199 alarms, of which 80 were bell alarms, 93 were false alarms, 26 still alarms. No. 2 answered 141 alarms, of which 70 were bell alarms, 62 were false alarms, 8 station calls, 1 still alarm. No. 3 Company answered 168 alarms, 48 of these were false and 55 were still alarms. No. 4 Company (Ladder) answered 132 alarms, of which 59 were bell alarms, 73 were false alarms. No. 5 Company answered 187 alarms, of which 81 were bell alarms, 74 were false alarms, 32 still alarms.

Our fire loss is as follows :

Value of Buildings	\$105,000.00
Loss on Buildings	91,000.00
Insurance on Buildings	95,000.00
Insurance paid on Buildings	40,000.00
Value of Contents	85,000.00
Loss on Contents	75,000.00
Insurance on Contents	75,000.00
Insurance paid on Contents	32,000.00

The regular meetings of the Board of Fire Engineers are held the first Monday of each month and all five Engineers were present at every meeting.

Respectfully submitted,

KENNETH L. ARMY

Report of Dog Officer

To the Honorable Board of Selectmen :

The activities of this Department for the year 1970 are as follows:

Stray dogs picked up	68
Complaints investigated	75
Lost dogs returned to owners	41

Dogs must be licensed April 1st of each year. Please report lost dogs to the Dog Officer to assist us in returning them to their owners. All dogs must be restrained until after 9 a.m. on school days. Complying with this law will help to protect your children.

Respectfully submitted,

FRANCES M. COLBY

Dog Officer

Report of Forest Fire Warden

To the Honorable Board of Selectmen:

I hereby submit my report for the year ending December 31, 1970.

Expenses for this department were as follows:

Wages of Firemen	\$1,334.00
Salary of Warden	450.00
Misc.	30.95
Equipment	152.48
Repairs to truck & equip.	324.70
Total Expenditures	\$2,292.13
Appropriation	2,500.00
Balance	207.87

Because of a short dry season the number of fires were kept to a minimum (87), thereby keeping our expenses to a minimum.

Respectfully submitted,

Frederick A. LeClaire, Warden

Report of Millbury Public Library

To the Honorable Board of Selectmen:

We herewith submit our annual report for the year 1970. The report of the Librarian is included.

To the Trustees: As Librarian of the Millbury Public Library I submit the following report.

The Library has been opened 281 days during the year.

The number of books purchased during the year totaled 680.

This was an increase of 175 over books purchased in 1969.

The classification of the circulation is as follows:

Fiction	8,533
Juvenile	8,237

Non-fiction
Magazines

5,227
150

The total circulation for the year was 22,147, an increase of 5% over last year.

The new Library hours are Monday, Wednesday and Thursday 1 to 5 P.M. Tuesday and Friday 1 to 8 P.M. and Saturday 10 A.M. to 5 P.M.

National Library Week in April was observed by a display of new books. We also purchased new book racks, magazine rack and new card files.

Two classes from the Center school under the direction of their teachers, Mr. Griffin and Mrs. Dawson, visited the Library twice each month during the school year.

We wish to thank the Russell Flower Shop for plants donated during Library week and a \$50.00 donation from Mr. Alvin Kibbee. Also to the following who donated books: The estate of Albert Vail, Griffin children in memory of their grandfather Henry Griffin, Mrs. Joseph Vitalone, Mrs. Delorice Wilson, Mrs. Robert Dawson, Mr. Donald Moe, the Singletary Rod and Gun Club and the Millbury Chapter of the American Revolution for their magazines.

The board of Trustees met the 3rd Tuesday of each month, two special meetings were held in addition to our regular monthly meeting and attendance was 100% for all members.

MAMIE BAILEY

Trustees

DENNIS L. KELLIHER

ELMER P. BALLARD

RICHARD N. KENARY

Report of Gypsy Moth & Elm Leaf Beetle Superintendent

To the citizens of Millbury and Honorable Board of Selectmen:

I hereby submit my report as Tree Warden.

Roadside trees cut down and removed for disposal other than Elm consisted of 25 Ash, 15 Maples, 1 Tulip and 5 Oak. These trees had to be taken down because they were either dead, dying or dangerous.

Pruning and limbing was done mainly where it was best for the safety of the public and around the center of town.

Brush cutting was done the length of Martin Street, Park Hill Road, Davis Road and Providence Street. All other brush cutting was concentrated on corners and curves with safety in mind.

Forty-five Maples trees were purchased and planted along town roads.

During the year of 1970, Two Hundred and Twenty-four Elm trees were cut down and removed for disposal, Forty-three Elm trees were tagged in July marked for Dutch Elm Disease and should be removed. There are many more diseased Elms that should be taken down. I intend to continue to take as many Elms down as possible, dangerous ones and the ones that are close to healthy Elms will be taken first.

Poison Ivy spray was applied along most of the town roads.

Millbury like a good part of New England had areas with a heavy infestation of Oak Skeletonizer, Fall Webworm, and Tent Caterpillar. These pests are unsightly and annoying but in most cases do not kill trees. We are in hope that these pests have reached their peak and will subside. I also intend to check into spraying for these insects.

Respectfully submitted,

JOSEPH O. CAPISTRON

Report of Board of Health

To the Honorable Board of Selectmen and the Citizens of Millbury.

The Members of the Board of Health respectfully submit the following report for the year 1970.

At Clinics held during the year children were immunized against small-pox, diphtheria, whooping-cough, tetanus, mumps, poliomyelitis and rubella (german measles).

During 1970 the following contagious diseases were reported to the Board of Health.

Chicken-pox	119
Dog bites	119
Other animals	14
German Measles	2
Infectious Hepatitis	3
Mumps	75
Streptococcal Infection	52
Scarlet fever	3
Tuberculosis	1
Salmonellosis	1
Gonorrhea	5

The Board investigated 226 complaints, inspected 39 new installations and repairs of sewage systems, 29 percolation tests, routine inspections of 40 Food Establishments, 2 Nursing Homes, 1 Rest Home and 1 Overnight cabins.

Licenses and Permits issued:

Funeral Directors	3
Burial Permits	37
Pasteurization of Milk	2
Cleaning Cesspools	6
Installers Permits	16
New Sewerage systems and repairs	47
Plumbing	167
Overnight cabins	1
Food Service Establishments	39

\$1,496.50 in fees were collected and sent to the town Treasurer.

Attendance at Monthly Meetings

Frederick P. Ellis	11
Walter A. Weldon	12
William H. Caron	12

Attendance at Special Hearings

1/19	F. Ellis, W. Weldon and Wm. Caron
3/30	F. Ellis, W. Weldon and Wm. Caron
4/15	F. Ellis, W. Weldon and Wm. Caron
6/11	F. Ellis, W. Weldon and Wm. Caron
7/14	F. Ellis, W. Weldon and Wm. Caron
10/13	F. Ellis, W. Weldon and Wm. Caron

Respectfully submitted,

FREDERICK P. ELLIS, *Chairman*

WALTER A. WELDON, *Agent*

WILLIAM H. CARON

Highway Surveyor's Report

To the Honorable Board of Selectmen and the Townspeople of Millbury it gives me great pleasure to submit my first annual Town Report.

GENERAL HIGHWAY

Under the General Highway and Permanent Road Accounts the Usual work has been performed. This includes the cleaning and sweeping of streets, also cleaning out the catch basins and gutters and general maintenance and patching as deemed necessary. We sold during the past year one obsolete Austin-Western 77 Grader for scrap and forwarded the check to the Treasurers Office in the amount of \$113.75.

SNOW AND ICE ACCOUNT

We had our usual trouble storms during the year which necessitated giving prompt service in particular the areas where school bus routes were involved. We completed snow removal from the Business district, Funeral Homes and Church areas. Praise should be given to the members of the Highway Department and Private contractors for their time and effort in fighting these storms.

OILING STREET ACCOUNT

In the past year we have oiled and sanded the following streets the full lengths with the exception where construction or sewerage is involved.

The areas covered are Southern and West Millbury sections of town. Due the increase costs labor and materials and acceptance of new streets we cannot cover as much areas as in the past.

CHAPTER 90 CONSTRUCTION

GRAFTON STREET

Due to receiving Engineering layouts of Grafton Street in late December we were unable to start phase two construction this year. We can now expect an early start this coming spring and we are sure progress will be made.

In closing I would like to take this time to thank each and everyone in the Highway Department and Local Contractors, and all other Town Departments for their help and cooperation that they have given me in the past year.

Respectfully Submitted,

DONALD J. ARMY

Highway Surveyor

Report of Sewerage Commission

To the Honorable Board of Selectmen:

We hereby submit our annual report for the year ending 1970.

This being our first annual report, we would like to apologize for the inconvenience caused due to the sewerage construction.

As of this date, the project is approximately 95% completed. In the early spring the lateral lines will be extended to the properties of all concerned.

Information pertaining to drain laying and tie-ins will be furnished you in the near future — via the news media.

Attendance Record:

Leo P. Bachant	55 Meetings
Earl N. Lange	55 Meetings
John W. Herbst	
from May 26, 1970	26 Meetings
Leonard A. Pescheta	
(prior to his resignation)	4 Meetings

Respectfully submitted,

LEO P. BACHANT, *Chairman*

EARL N. LANGE, *Clerk*

JOHN W. HERBST, *Member*

Town Clerk's Report

To the Honorable Board of Selectmen and the Citizens
of the Town of Millbury:

I respectfully submit my tenth annual report as Town
Clerk.

The year 1970 has drawn to a rapid close with a very notable increase in our work load. We have given a great deal of thought and study to new methods of modernizing some of the old and archaic methods and systems which have been in use for many years. In some areas of our record administration, we have implemented new systems which have helped to some degree to eliminate many of the problems in retrieving older records. We are attempting to provide not only a higher degree of efficiency but a savings as well.

Our programs of indexing the old records has made great progress and we are currently working on deeds, contracts and road plans, and hope to have that segment of our research completed early in 1971. The microfilm program of our death records is in process and will also be completed in the near future.

Population figures for the Town of Millbury are rising at a rapid rate and our projection for the coming year will place us over the 12,000 mark. This increase in population is partly responsible for the increase in the work load, as well as new legislation each year which places greater burdens on the municipal clerk.

Once again, it has been an extreme pleasure to have served you as your Town Clerk and I am looking forward to the new year with greater enthusiasm toward making new strides in our record administration.

May I take this opportunity to express my sincere gratitude to all the elected and appointed officials in the Town of Millbury for their cooperation throughout the year.

Respectfully Submitted,

ORAN DAVID MATSON

Town Clerk

The following is a comparison of vital statistics for the year ending 1970:

YEAR	BIRTHS	MARRIAGES	DEATHS
1961	217	111	105
1962	193	111	125

Report of the Registrars of Voters

To the Honorable Board of Selectmen and the Citizens
of Millbury:

During the year 1970, several changes have taken place in voter registration and eligibility requirements which were written into law. The Federal Voting Rights Act of 1965 was extended and several amendments added, therefore, on January 1, 1971, persons eighteen years of age will be eligible to register and vote. Although this amendment is being challenged by several states before the United States Supreme Court and until a decision is handed down to the contrary, we shall begin registering eighteen year olds on January 2, 1971. Also, as a result of the majority of the votes cast on Question #3 in the November election, nineteen year olds are now eligible to register and vote in Massachusetts. You are required to be a resident of the state only six months to be eligible to register and you no longer have to be able to read and write in order to qualify. In addition to the above major changes, many new laws affecting election procedures were enacted and implemented into our election process.

Our annual listing of residents will begin on January 2, 1971, and our canvassers will be listing every male and female resident seventeen years of age and over. Once again, we ask your cooperation in supplying the information required by our canvassers.

On March 25, 1970, a recount was held for the office of School Committee and a detailed summary is attached to this report.

During the year 1970, the Registrars held a total of nineteen special meetings, nineteen evening registration sessions and four twelve hour Saturday sessions. In compliance with the General By-Laws of the Town of Millbury under Article 4, Section 9, the following attendance record is hereby submitted.

REGISTRARS	PERCENTAGE OF			
	SPECIAL MEETINGS	EVENING SESSIONS	SATURDAY SESSIONS	MEETINGS ATTENDED
William H. Cournoyer	19	19	4	100%
James Stewart	19	19	4	100%
Joseph A. Stead	19	19	4	100%
Oran David Matson	19	19	4	100%

The breakdown of registered voters by precinct as of December 31, 1970, is as follows:

PRECINCT	DEMOCRATS	REPUBLICANS	UNENROLLED	TOTALS
1	861	155	759	1775
2	450	216	626	1292
3	484	188	522	1194
4	497	93	333	923
5	416	101	312	829
	2708	753	2552	6013

The following are the results of the votes cast in the Annual Town Election, March 14, 1970.

	Prec.	1	2	3	4	5	Total

ORAN DAVID MATSON

Planning Board

To the Honorable Board of Selectmen:

The Millbury Planning Board herewith submits its annual report for the year ending December 31, 1970.

There were 17 Planning Board meetings held since March 9, 1970. Following is the attendance report.

Frank J. Piscitelli	—	17 of 17
Joseph R. Bianculi	—	17 of 17
Gerard Trottier	—	14 of 17
Joseph Lukaszek	—	13 of 17
Roland Lachance	—	11 of 17

There were two public hearings held of which all were in attendance. Both were sub-division hearings, one consisting of nine lots was approved, another consisting of four lots was disapproved. The members have attended many other meetings besides their official business, such as:

- Mass. Federation of Planning Boards
- Central Mass. Regional Planning Commission
- Greater Worc. Community Serv. Coalition Planning
- School Building Needs Committee
- Swimming Facilities Studies Committee
- Industrial Development Committee
- Capitol Improvements Committee
- Historical Commission

As you know, approval was given to the Planning Board to hire a Planning Consultant for assistance in long range

planning. As mentioned in our last town report, our Capitol Improvement Program would be getting another look at. We have a very active committee, we hope to feel the impact of this committee at our annual town meeting.

Also was mentioned the fact that our zoning by-laws were full of loopholes, and in real need of improvement.

At this writing, a complete rewriting of Millbury's zoning by-law has been completed in draft form, and is being reviewed by town officials and others for refinement prior to consideration at the March town meeting. The structure of the bylaw has been revised and simplified with a numbering system designed to make it easier to use.

The Planning Board retained Philip B. Herr and Associates of Boston to aid in the rewriting. If adopted, this will give Millbury a thoroughly reexamined and completely modern bylaw, toward which numerous zoning amendments approved in the past few years have been aiming. Flood plain zoning will be incorporated in our rewriting.

We hope in the near future to propose new industrial areas. At present we felt that recodification of our zoning bylaws had higher priority.

The Planning Board also had several meetings with officials of the State D.P.W. regarding relocation of Route 122 in the East Millbury area.

Another area that the Planning Board feels that should have some priorities is an appointment of a Town Engineer. Due to the fact we have not one at our disposal, we have not been able to do a thorough job on articles submitted for reconstruction, drainage, and street acceptance.

The Planning Board meetings are open meetings held on the 2nd and 4th Mondays of each month unless otherwise notified. They are held in the Selectmen's Room in the Millbury Town Hall at 7:00 p.m.

The Board wishes to thank all the Town Departments and citizens for their cooperation throughout the year.

Respectfully Submitted,

FRANK J. PISCITELLI, *Chairman*
JOSEPH BIANCULLI, *Vice Chairman*
JOSEPH LUKASZEK, *Clerk*
GERARD TROTTIER
ROLAND LECHANCE

Report of Building Inspector

To the Honorable Board of Selectmen:

I hereby submit my annual report for the year ending 1970, December.

There has been a decrease of 50% on new housing starts, but there has been a remarkable increase in industrial, commercial, and business construction, which should help our tax base considerably.

Total permits issued as of December 18, 1970 stands at 92.

Total permit fees collected as of December 18, 1970 Amounts to \$1,327.

Twenty-six Places of Assembly have been placed under my jurisdiction by the Dept. of Public Safety. Inspection of 13 of these places was made with the Honorable Board of Selectmen, Board of Health and the Police Chief.

An Act passed by the Legislation last year changing the meaning of the word "Misc. Halls" has passed on added jurisdiction to the local Building Inspector.

As you know, last year approval was given to the Millbury Planning Board to hire a professional planning consultant for assistance in long range and continued Planning. I am hoping that this year with the cooperation of the Planning Board and possibly a committee, I hope that some drastic change can be made in the "Building Code."

I hope to submit an article in this Town Warrant relating to the above mentioned subject. Also in the same vain, to see if a consolidation of the workings of all the Inspectors can be made.

Building Permits issued as of this date are as follows:

Amount	Type of occupancy	Est. Cost
18	Singe Family Dwellings	\$376,000
8	Garage Additions to Dwellings	13,900
35	Additions & Alterations to Dwellings	41,330
6	Inground Swimming Pools	16,575
4	Demolition Permits	0
8	New & Industrial Additions	1,221,246
10	New Commercial & Business	

	Add. & Alter.	153,000
1	Two Family Dwelling	10,000
1	Trailer (One Year Occupany)	4,800
1	Apartment Renovation	3,000
	Total Est. Cost	\$1,839,851

I again thank you all for your cooperation throughout the year.

Applications for building permits can be obtained at the Selectmen's Room from 10 A.M. to 4 P.M. Monday thru Friday. And also by dialing 755-5432 anytime after 6 P.M.

Respectfully submitted,

FRANK J. PISCITELLI

Town of Millbury Building Inspector

Report of Gas Inspector

To the Honorable Board of Selectmen and the Citizens of Millbury.

I hereby submit my annual report as Gas Inspector for the year ending December 31, 1970.

During the past year this department has done 146 gas inspections. Twenty-six of these were travel trailers and campers.

All permit fees have been turned over to the Town of Millbury.

Gas permits can be obtained at 9 Millbury Terrace and also by dialing 757-8410.

Respectfully Submitted

ALBERT H. WEST

Gas Inspector

Report of Millbury Housing Authority

The Millbury Housing Authority herewith presents its annual report for the year ending December 31, 1970.

Due to the Legislatures failure to pass the bill on State Housing Funds, we were not able to start our new housing for the elderly in 1970 as planned. However, on July 14, 1970 the Millbury Housing Authority received official notice from the Department of Community Affairs that it had been granted the sum of \$850,000.00 to build a 50 unit dwelling on a parcel of land located on South Main Street, now known as the Tebo Property. Land appraisal was done by James Stewart of Millbury, Mass., Mr. Kenneth Shaw of Sutton, Mass. has been the surveyor for the Authority.

Reinhardt Associates of Springfield, Mass. was unanimously voted to be the architects for the new elderly project 667-2. Plans have already been submitted and approved by both the Millbury Housing Authority and the Department of Community Affairs. It was noted at this time, that there was room for an additional 10 units and a request by the Housing Authority for said 10 units was approved by the Department of Community Affairs.

Mr. Robert Gabriel of Northboro, Mass. is now representing the Authority on legal matters.

Mr. Edward Plante of Millbury, Mass. was unanimously voted to be Clerk of the Works for the new 667-2 Project.

We fully expect to start breaking ground this spring. This project will be "Total Electric." It will give us great pleasure to accommodate more of our elderly citizens.

200-1 VETERAN'S PROJECT

This project remains fully occupied at the end of its 20th year. Only a small number of appliances had to be replaced, such as hot water heaters and stoves. All other repairs were routine maintenance.

667-1 ELDERLY PROJECT

This project has completed its 10th full year fully occupied. In December of 1970, a luncheon was given by the Millbury Woman's Club of Miles Street for the elderly of the Lindy Apartments. At that time, they presented them with two gold candle sticks for use on their altar table. The recreation hall and its facilities has enabled our tenants

to enjoy and participate in such things as card parties, luncheons, religious services, and even a bazar put on by the tennants themselves.

A new large water heater had to be installed in building No. 4.

To add a little brightness at Christmas time, a small pine tree was planted and decorated on the front lawn of the project.

As of December 1st, 1970, as per a letter received from the Department of Community Affairs, all rents for the Elderly Project were to be readjusted. No rents were to be raised. Most of our tennants received a reduction in rent.

MAINTENANCE

Mr. Robert Weidman, head maintenance man and Mr. Leo Rogers took care of all necessary maintenance problems for both the Veteran's and Elderly Projects.

Report of Parks Commission

To the citizens of the Town of Millbury and the Honorable Board of Selectmen, we respectfully submit our fourth annual report.

The demand upon outdoor park and recreational facilities within the community reached an all time high in 1970. It has been the policy of this commission to grant permits to all applicants for organized activities and still attempt to allocate after school hours and weekends to the youngsters of the areas for non structured use. Despite the fact that the combined park and school facilities of the town exceed the minimum standard of one acre of recreational space for every four hundred residents, as suggested by the National Recreation Association, we were forced to deny the requests of some applicants due to a shortage of facilities. The Town of Millbury for many years has been a strong supporter of organized athletics, and this high interest prevails today, which is possibly why the suggested standard does not adequately accommodate the recreational needs of our community.

Major physical changes in our parks and playgrounds this past year have been the construction, grading and seeding of a four acre athletic field at the West Milbury Community Park, the completion of the multi purpose, parking, skating facility at Bergstrom Park, the construction of an additional ball diamond at Connolly Field, and the erection of new playground apparatus at the Tot Lot in the Dorothy Pond Section. It is our intent that these improvements will alleviate, to some extent, the pressure on our present outdoor facilities.

In the area of structured programs, instruction in arts and crafts and supervision in games and athletics was provided at Windle Field and Bergstrom Park. Mrs. John Powers, our program co-ordinator, estimated that five hundred children daily attended the six week Windle Field program, while the two week program at Bergstrom Park served in excess of fifty-children daily. In July we scheduled the Worcester Childrens Theatre group to present two plays at the High School Athletic Field for the pleasure of children of all ages. It is our hope that this presentation will become an annual event along with the annual trout derby and teenage Halloween dance.

The Board of Parks Commissioners scheduled twenty four regular meetings and three special meetings in the past year. Members attendance records are as follows.

William A. Berthiaume	92%	William J. Prendiville	92%
*Robert F. Crowell	84%	Charles J. Vassar Jr.	74%
Wilfred J. Dufour	48%	*appointed to fill vacancy	

We wish to thank all Town Departments and the people associated with our programs for the cooperation extended us in our endeavor to provide better recreational services to all citizens of the town.

Respectfully submitted,

WILLIAM A BERTHIAUME, *Chairman*
WILLIAM J. PRENDIVILLE, *Clerk*
WILFRID J. DUFOUR
CHARLES J. VASSAR JR.
ROBERT F. CROWELL

Report of Animal Inspector

To the Honorable Board of Selectmen :

The activities of this Department are as follows for the year 1970.

Dog bites investigated	119
Other animal bites investigated	14
Bodies of animals on highways	80
Barns and herds inspected	24

Respectfully Submitted,

FRANCIS M. COLBY

Animal Inspector

Report of Conservation Commission

The Millbury Conservation Commission herewith presents its Annual Report for the year ending 1970.

The tract of land known as Soles Swamp has been purchased by the Conservation Commission. There are several more acres in this vicinity that the Conservation Commission hopes to acquire in future years.

The Davidson Wildlife Sanctuary is still available to all who are interested in nature. We soon hope to have another nature walk in the West Millbury area.

Due to new state laws residual sprays are no longer available. The only sprays left to use have no lasting quality. If anyone requests spraying for any purpose, they should realize it would last for a short period of time.

A total of eight meetings were held by the Conservation Commission for the year 1970. The following is an attendance record of the members of the Conservation Commission required by the General By-Laws of the Town of Millbury.

<i>Member</i>	<i>Meetings Attended</i>
Donald J. Montigny	7
John E. Swedberg	6
Kenneth J. Botty	6
Wesley M. Howe	5
Ann M. Anyon	2
Leo A. Sharron	2
Jon Broberg	4

In closing the Conservation Commission would like to take this opportunity to inform all residents who know of natural land for sale, or who may like to donate any land, to remain in its natural state to contact the Conservation Commission. This appears to be the only way to insure that some natural land will remain for the young people of our Town.

Respectfully submitted,

DONALD J. MONTIGNY,

Chairman

JOHN E. SWEDBERG

KENNETH J. BOTTY

WESLEY M. HOWE

ANN M. ANYON

LEO A. SHARRON

Report of Cemetery Department

To the Honorable Board of Selectmen:
Gentlemen:

Please be advised that all our meetings are held on the first Monday of each month and were attended by all three Cemetery Commissioners.

The Cemetery Commission hereby submits its Annual Report for the year 1970.

The following are several items we feel are needed in the future to more adequately help in the maintenance of the cemetery and will return revenue to the Town by making more burial lots available:

1. A night light near the office and garage to prevent more robberies and to help keep vandals out.
2. A curbing on both sides of the main road in the cemetery to make it look cleaner and to keep cars from driving over graves along the road.
3. An addition to our present office and garage with a cement block building to house our machinery. (Our present floor space in the garage is 10' x 12' and in our office is 9' x 12').
4. The Polito Construction Company filled a road bed with cement and tar slabs. We have a space to back fill with a gravel base, sand and clay for a burial ground. This will give us space for about two thousand single graves at One Hundred Dollars each. Fifty Dollars of this will go into the New Lot Fund and Fifty Dollars will go into perpetual care from which we will draw interest at the rate of 4 1/8 %.
5. The high walls consisting of big stone slabs about ten inches thick, two feet high and ten and twelve feet long were damaged in a flood a few years ago. They are now starting to fall out of place and should be repaired. This is a heavy job and masonry work will be required.

Respectfully submitted,
EDWARD A. PLANTE, *Clerk*
JOSEPH GAGLIARDI, *Chairman*
VICTOR BOUFFORD,
Superintendent

Cemetery Commissioners

Report of Re-development Authority

To the Honorable Board of Selectmen and Citizens of Millbury we submit our Annual Town Report for year ending December 31, 1970.

Another year ends and we were unable to make much progress.

We attempted to start the workable program which is a requirement for certification before the town would be eligible for Federal Money for urban renewal.

The Authority held 3 meetings in 1970. One of these was a joint meeting with the other departments of the town.

1st Meeting April 7

Members present: Robert Doud, George Brady, Earl Lange, Rudolph Bergstrom and Benjamin Miles.

2nd Meeting April 27

Members present: Robert Doud, Rudolph Bergstrom, Benjamin Miles, and Earl Lange.

3rd Meeting November 16

Members Present: Robert Doud and Rudolph Bergstrom.

Respectfully submitted,

ROBERT DOUD, *Chairman*

BENJAMIN MILES, *Clerk*

GEORGE BRADY

EARL LANGE

RUDOLPH BERGSTROM

Report of Real Estate Evaluation Committee

Report of the Special Committee Appointed to Survey the possible need of Revaluating all Real Estate and Personal Property located in the Town of Millbury.

To the Honorable Board of Selectmen and the Citizens of Millbury:

The special committee of seven citizens appointed by vote of the March, 1970 annual Town meeting, for the purpose of conducting a study of the possible need of a revaluation of all real estate and personal property located in the Town of Millbury herewith submits its report:

The committee conferred at length with the Millbury Board of Tax Assessors on many occasions discussing the needs, the methods, the possible advantages of such a revaluation, as well as the cost and possible methods of financing such a program.

The committee visited various Boards of Assessors in other towns, namely: Ipswich, Holden, Lancaster, Southboro, and Northboro, Mass. All of these towns revaluated their property and some of them are engaged in this program currently. Also some are planning their "second" evaluation following a timetable suggested by the appraisal consultants.

It was found that all of the Towns contacted used professional appraisal consultants to do this actual evaluating work.

It was further found that all of these Towns stated that they were better off in many respects after this evaluating program was completed.

It is the unanimous opinion of this committee that this project of revaluating all of the real estate and personal property located in the Town of Millbury should be undertaken as quickly as possible.

It is further suggested that this program be under the guidance of the Millbury Board of Assessors and that they be empowered to employ the services of an outside appraisal consulting firm as stated in Article.

Respectfully submitted,

LAWRENCE STOCKWELL,

Chairman

FRANK O'HARA

CHARLES W. MONIGLE

DONALD MARKEY

RICHARD KENDRICK

JAMES BEAUREGARD

GORDON ENGRALL

Report of Auditor

I hereby respectfully submit my report on expenditures for the year ending 1970.

I wish to express my sincere thanks to Mr. and Mrs. James Cassidy and Maurice O'Brien for the help they have given me since I have taken office.

Respectfully submitted,

E BERNARD PLANTE

Auditor

Arthur L. Stowe	Term Expires 1971

School Committee meetings are held on the
first and third Mondays of each month

Superintendent of Schools

IRWIN C. ELKINS

School Calendar, 1971

Winter term	January 4, 1971 to February 12, 1971
Spring term	February 22, 1971 to April 16, 1971
Summer term	April 26, 1971 to June 28, 1971
Fall term	September 8, 1971 to December 23, 1971

School Sessions

Grades I-VI:	8:40 a.m. to 3:00 p.m.
Senior High School:	8:00 a.m. to 1:59 p.m.
Junior High School	9:30 a.m. to 3:40 p.m.

Report of The School Committee

To the Citizens of Millbury:

The School Committee herewith submits its annual report for the year ending December 31, 1970.

This year saw many fine improvements in our curriculum and an increase in community participation in our school facilities.

The following salary schedule became effective in September, 1970:

	<i>Minimum</i>	<i>Maximum</i>
(1) Bachelor's Degree	\$7,000	\$10,400
(2) Bachelor's Degree + 15 hours ..	7,300	10,700
(3) Master's Degree	7,800	11,600
(4) Master's Degree + 15 hours	8,100	11,900
(5) Master's Degree + 30 hours	8,600	12,800

After long sessions of negotiations, including fact-finding and a demonstration, a contract was finally settled which placed Millbury just below the median for schools our size in the Commonwealth. AFL/CIO negotiations were concluded amicably, and next year will see the creation of bargaining with yet another unit: the administrators (except for the Superintendent). The School Committee has devoted many evenings towards insuring the best possible program consistent with Millbury's ability to pay. Important policy decisions were made, and we are proud that so many have accomplished so much.

The requested budget for 1971 is an approximate 11.1% increase over 1970. This compares with 17% the previous year and 29 per cent the year before that. The breakdown is 9.5% for salaries (around 6% already built in from last year's town meeting), and 1.9 per cent for the remainder of the budget, which in these days of higher costs for everything is a remarkably small increase, considering we were able to expand our curriculum in the face of it. The State has approved reimbursements of \$488,740.46 for the year 1970, and this amount is returned to the town treasurer and not the School Department.

Attendance: Out of 25 meetings for the year, attendance was as follows:

Mr. Fitzpatrick—5, through Feb.

Mr. Kollios—24

Mr. Leonard—23

Mr. Stowe—15

Mr. Chevalier—20, March-Dec.

The school Committee wishes to thank everyone for the generous cooperation given it during the past year.

School Committee

Report of the Superintendent of Schools

I hereby respectfully submit my third annual report and the eighty-first in the series of reports of the Millbury School superintendents. My heartfelt appreciation is extended to you as a group who have expressed confidence in the direction in which the schools are moving and support of me with regard to your vote of tenure; to the professional staff who have spent countless hours in improving the quality of education and devoting their energies in helping our children; and to the town officials who have helped our department in so many ways in the best interests of the children. The continuation of a spirit of cooperation and good-will was truly in evidence, and the concept of the "community school" was emulated by surrounding towns as they saw how we shared our facilities with the town and increased the usage of our buildings.

The Shape of Education on the National Scene, 1970

Campus unrest and turbulent change continued to plague our colleges and universities during 1970. Task forces started last year in drug education and programs in pre-school education continued to dominate the news. Problems of urban society were attributed to possible failures in the national school systems, which gave instant success to such books as Silberman's *Crisis in the Classroom*. The education Establishment was further involved in the strong furtherance of

such ideas as "accountability" which meant testing of our children's education and holding the schools responsible for the results; "voucher systems" which would change the pattern of public and private school attendance; and "performance contracting" which looked to the business world to take over the running of certain educational programs. All of these experiments are still being studied. Besides this, the battleground was fought over newer ideas versus the traditional values, with many believing that "a return to the good ol' days" would solve everything. But change has occurred and the schools must change with the times or be left out of the running in the competition for a place in the sun.

The Shape of Education on the Local Scene, 1970

For the Millbury school system, 1970 was a year of expansion after the previous year's consolidation. Stated objectives by the present administration have been met in the areas of curriculum improvement with particular emphasis on reading. Continued evaluation and updating will occur as these programs are carried on. Committees have been formed and any weaknesses will be dealt with promptly. Great energy is being expended by many dedicated staff members to carry our program forward, and many things begun recently are discussed in surrounding communities as models for change. The entire school department has been hampered by overcrowded conditions in grades 7-12 and outdated facilities in the smaller schools. But relief is hopefully in sight by positive community support for alleviating the serious conditions prevailing in our schools which could spoil the advances for our children we have begun to make.

Report of the Elementary Supervisor

The year of 1970 was a continuing year of attempts at growth and development in the elementary schools. The turnover of teachers was approximately the same as in the previous two year period with 16 openings in the regular classrooms and a turnover of personnel in speech, reading and perceptually handicapped. New teachers were recruited from various colleges and universities with an eye toward a continuing balancing of the staff with personnel from a cross section of New England.

The only expansions in the staff were in music and physical education. In these areas personnel who had been dividing their time 50/50 between elementary and secondary became full-time elementary so that now children in grades 1-5 are given physical education, music and art on a regular basis.

The work that had begun in all areas of curriculum reached its fruition in language, science and social studies when the finishing touches were applied to courses of study in these areas. Work was begun in September by committees to investigate and make necessary recommendations in the areas of arithmetic and phonic-spelling since these areas appear to have weaknesses to be overcome. This could mean a directional change from the methods and materials that have been used in the past.

In arithmetic one of the areas of investigation is hinging around the use of modern math for all children or whether a more traditional approach would serve the need of the students to a greater extent. Spelling and phonics will be investigated since there have been many philosophical advances in the basic approaches of these subjects in the last five years.

Elmwood Street and Center-Union schools after the evaluations of their pilot reading programs in grades 3, 4, and 5 found that it warranted incorporation in grades 2 and 6. These programs are tailor-made to fit the individual differences of each child with emphasis on the interests and abilities of the child. In some cases there will be individualized instruction. In other cases there will be small group instruction. In still other cases it will be large group instruction depending on the needs of the child as adjudged by pre-tests and teacher diagnosis. In effect the child will set his own learning pace and will be in a position to aid in the planning and evaluation of his work.

The plethora of materials now a part of the reading program are the basic textbook with all of its separate learning devices such as books for slow-learners, books for accelerated readers, supplementary texts, workbooks in all areas, and ditto sheets. S.R.A. kits and recorders, E.D.L. readers and the accompanying film strips, Hay-Wingo phonic texts and workbooks, and unit tests for testing achievement in basic reading areas are utilized to a great extent as supplements to the basic program. The situation in the reading area from the standpoint of texts and materials appears to be extremely healthy at present and for a period of time in the future.

The elementary schools continued to welcome the visits of parents to the schools with a "Back to School Night" at which time the parent was made aware of the texts and materials that the child uses in his everyday work as well as the curriculum philosophy as practiced in the particular classroom. In addition a released time day for teachers was continued at which time parents were given the opportunity to visit their child's teacher and discuss his overall work in the school and his individual class. These times have proved fruitful to students, parents and teachers so that a better understanding between home and school has been established.

Remedial Reading

This year remedial reading has taken on a new image. The most notable change has taken place at the Elmwood Street School, where reading has been departmentalized in grade two and as of January, 1971, grade one. As a result of this grouping, it is now possible for every reading group to get a full hour of reading and for the remedial reading teacher to work in the same room as the classroom teacher who has the low reading group. Thus the children in the low group who need extra help have two teachers who can now give them the individual attention they need.

Another new program is remedial reading for first graders. It is hoped that first graders who need more individual help in order to achieve will get it and thus cut down on failures. It is also hoped that by giving these first graders extra help we will be reducing the number of future reading problems. To build something that will not collapse in the future, it is necessary to build a strong base.

The remedial reading program also includes bringing new reading techniques to classroom teachers. New machines such as the cassette tape recorder and interesting prerecorded lessons now available for classroom use are being brought to all teachers so they may extend learning by making it more interesting and unusual.

Elmwood Library Service

The Elmwood Street School Library has at the present time a collection of 3950 volumes. 2480 volumes are circulated from the media center; the remainder of the books are housed in classroom collections.

With the multimedia approach to learning we are endeavoring to increase our audio-visual materials as well as to add to our basic book collection. More magazines and reference books have been added.

The school library program is geared to the needs, interests and ages of the students. During their library periods the students are taught library and reference skills, book discussions are held and stories are read aloud.

Teachers and students are encouraged to make use of the facilities throughout the day. The available materials are easily accessible to all. The librarian works with the teachers and students to help them with various programs and projects.

Some of the students help during their free time. They collect and charge out materials, shelf books and arrange exhibits.

With its program of instruction and guidance the media center has become an extension of the classroom.

Elementary Music Program

There are now four people teaching music in the town of Millbury and their duties are as follows:

Miss Marie Eaton is teaching elementary vocal music in grades one through four.

Mr. Michael Nagy is also teaching some of the first four grades as well as two flutophone classes — one at Burbank and one at Providence Street School. He is also conducting band classes in grades five and six as well as music classes in grades five and six.

A new addition to our music staff, Miss Eleanor Harubin, is teaching general music classes in grades seven and eight. Miss Harubin is also in charge of the Junior High Glee Club and the High School Chorus.

Mr. Bruno's duties begin in grade three at the Elmwood Street School, where he teaches flutophones. This program provides each pupil with an opportunity to play a pre-band instrument. It is here that we teach basic fingerings and rhythms which are later applied to regular band instruments.

Pupils in grades three and four are also given the opportunity to join beginning band program at Elmwood Street School. We are now working with twenty-five pupils on band instruments in this building. We are still starting beginners here and will continue to do so depending on the availability of instruments.

At the Junior High level, we are working with about twenty students playing band instruments. Several of these youngsters will be able to perform with the High School Band this year.

The High School Band has just performed in its annual Christmas Concert. This took place on Sunday afternoon, December twentieth, at three p.m.

Along with many band selections, Miss Harubin prepared many Christmas songs. The Junior High Glee Club was also featured in one segment and our High School Chorus in another. The program ended with combined singers amounting to seventy-five voices accompanied by the band.

Four of our high school instrumentalists auditioned Central District Music Festival. All four were accepted out of which two were recommended to audition for All-State Band and Orchestra. Accepted to play in the Band were: Susan Andresano, Clarinet, and Pamela Van Ostrand, also Clarinet. Accepted to play in the Orchestra were: Christine Doud, Timpani, and Amelia Sachetto, Oboe. Both Miss Doud and Miss Sachetto received excellent ratings and will audition for the All-State Festival which will take place some time in April.

The High School Band was also active last year at a spring concert, played at graduation and also took part in the fourth of July celebration. This was a two hour concert in which the High School Concert Band performed for the first hour with the High School Stage Band performing in the second hour.

New equipment this year consists of a new amplifier for our bass guitar, a sousaphone stand plus two glockenspiel stands. Also acquired this year was some badly needed music and method books for our Center School band, plus many film strips and records for Mr. Nagy to be used at Center School.

Title I

For the fifth year in a row P.L. 89-10 E.S.E.A. in the form of a Title I program was interwoven into the curriculum of the elementary schools. This program is wholly financed by federal funds, one of the few aid programs which does not require matching funds. Application for these funds must be justified by the Director in valid proof by test results and need (annual income figures) to establish a program in the school system. After compiling all of these facts and receiving approval from the State Department of Education, the establishment of an educational program is necessary along with the area or areas of educational need usually in the fields of reading and arithmetic.

The Millbury program has been built from educational need for its educationally deprived students, always with the avowed direction of reversing learning losses and re-directing and re-learning previous faulty learning patterns.

The program is actually divided into two parts, a school year program and a summer program. The school year program is carried out this year by eight teachers working from 9:00 a.m. to noon. These teachers are distributed among all of the elementary schools. Their responsibility is to work with children who are having definite problems in school in the areas of reading and arithmetic.

The summer program because of the shorter period of time is more intense. In this program more teachers are employed and small group work is encouraged. This does not defeat the aim of individual remediation since the classes are not over four in number of students. Again the work must be individual suiting each child's need with work gleaned from a number and variety of sources always directed at the learned weaknesses of a child rather than at a general survey of a subject such as third grade reading or fourth grade arithmetic.

These programs if understood and directed properly will lead to advance achievement to the extent of 2 months on the part of some students, 1 month on the part of many students and the arresting of learning loss on the part of the remainder of the students as indicated in post-tests as compared with pre-test results.

Art and Humanities

Each new year brings new programs in art and this year is no exception. The weekly activity correlating art with reading which takes place once a week during the reading period at the Center-Union School is now incorporating sixth graders as well as fifth graders.

The other new program is the pilot program in humanities which started the week of January 4th. Following the recommendations set forth by the study group in humanities that met this past summer, two classes of about 30 students were chosen, one from the fifth grade and one from the sixth grade. The teachers involved are Mr. R. Nicoletti, a fifth grade teacher and a member of the aforesaid study group, Mrs. S. Starr, a sixth grade social studies teacher greatly interested in the new program and Mrs. Go, also a member of the summer study group.

On Mondays and Tuesdays the first group will study with Mr. Nicoletti in the areas of social studies and use the textbooks while the second group will work on cultural projects. Then on Wednesdays and Thursdays the groups are reversed. On Fridays the entire group will meet together in the cafeteria for music. Mention should be made that during the art activity periods this group is split up into smaller self-teaching groups with Mrs. Starr or Mrs. Go supervising. For the various cultural projects they are given a master list which includes the concept to be learned, the materials needed and the procedures to be followed.

The scheduling is very flexible with the possibility that Thursdays will become the music day for the entire group. Following the Superintendent's recommendations that the pilot program be the trial-learning period for teachers and students as far as scheduling and other problems are concerned, there is of course the possibility that we might make further changes.

Physical Education

Physical education is an integral part of the total educational program. It has significant contributions to make toward achieving desirable educational outcomes —

1. Constructive use of leisure time.
2. Sequence of movement experience through a variety of activities.
3. Opportunity to develop acceptable values and perception of one's self and others.
4. To promote the development of the individual physically, mentally, socially, emotionally and ethically.
5. To promote general all around physical fitness.

In Millbury, the majority of students in grades one through twelve have physical education two periods a week.

In the Junior-Senior High School, students must wear a specific physical education uniform for participation. Showers are a health standard and a requirement for physical education.

A new curriculum for the elementary schools has been planned so all pupils throughout the town will have the same wide range program and the same general background.

The program of physical education is well rounded with a variety of activities. The program is constantly changing and being improved.

Any limitations are beyond our control due to overcrowding or inadequate facilities. It is our intention through our program to meet the individual needs of the students in Millbury.

Director of Special Services

The Department of Special Services, established as of September 1, 1970, encompasses at the present time the following programs: Special Education, Speech Therapy, Perceptual Handicaps and the Greater Blackstone Valley Youth Guidance Clinic.

In the area of special education, classes at all levels have been observed. Staff meetings have been held to discuss budget item, teacher evaluations and to coordinate the efforts and ideas among the teachers of special education, the speech therapist and the teacher for the perceptually handicapped. At the elementary level the children enjoy the additional services of the teachers of art, music, speech and physical education. They also receive help from the reading assistants of the Title I program and from the teacher for the perceptually handicapped. At the secondary level the young people are integrated in art, music, shop, clothing and physical education. The greatest need at the present time in this area is improved classroom space for the group at the high school level; this need exists because of the overcrowded conditions.

In speech therapy, the teacher is working with ninety-six children in grades 1-6. The great majority of pupils have difficulty in articulation.

In the class for the perceptually handicapped training is given in the visual perceptual skills and in motor skills. In the latter area appropriate physical apparatus is used to enhance balance, control and coordination.

With a change of teacher in the class for the perceptually handicapped, considerable time was needed to evaluate the many children who had been recommended for the program. Some children had been definitely accepted for the program; others for sundry reasons had not been completely evaluated. The applications for those not approved are being reviewed; teacher evaluations and health records are being updated. State approval of three for the program has been received in this school year; the acceptance of two others is at present pending. The parents of all children considered for placement in the program this year have been contacted; the school nurse and the director of special services have made a home visit to collect the health information and to discuss the child's problem with the mother.

The Greater Blackstone Valley Youth Guidance Clinic has this year provided a psychiatric social worker for two days a month. The service, it appears, has been improved in quality and quantity, not simply because of the clinic's offering but also because locally there has been time to implement the program and to take care of details. At the bi-monthly meetings, the director of special services, the school nurse and the child's counselor are present. If it appears that the social worker should see the family, an appointment for the meeting is established by the director of special services. At the first meeting in the home, all members of the household are present at the request of the social worker. Thereafter, if necessary, the social worker will meet with the youngster in school and with the parent(s) in the home.

The first home visitation is made in the morning; subsequent home visits are made in the afternoon after the scheduled school consultation

time. To date twelve cases have been discussed; these cases involve seventeen youngsters. Home visitations by the social worker have been arranged with four families; one home is being visited on a bi-monthly basis. One case has been transferred from the social worker's roster to that of the psychiatrist. Two children have been recommended for evaluation at the clinic and appointments have been arranged by their parents. Obviously the clinic is providing more in-depth service because at the present time it has more staff.

Hopefully the program can gain in dimension. Dates for visits to three schools which have similar programs have already been set; two other schools are also being considered. It seems to me quite necessary to have evaluated our present offerings, then to seek ideas from other schools and finally to work out a plan for improving or expanding the offerings of the local program.

Health Services

I am pleased to report the continued apparent good health of the Millbury school population. We have examined the usual grades, the special classes and candidates for these classes, and the athletic teams. Parents of the first graders have always been encouraged to be present and this has been most worthwhile.

There seems to be a trend in appearances, aside from style changes, in the definite, steady increase in physical size and strength. I wonder at the prospect of some of the young giants we see in the primary grades. What will they be like when they reach high school. Our youth seem to be more mature despite or perhaps because of the problems and the uncertainties of the times. I suppose the influx of many new families into a previously stable population accounts for some changes. I expect Millbury will continue to be a rather broadly representative type community.

The annual physical examinations conducted at the schools started in the middle of September and finished December 13, 1970. Most of the students are in good health.

Minor conditions such as tonsils and teeth are much improved.

The annual census of the handicapped children will be taken and returns sent to the State Department of Education.

Two students received home instruction during the year.

Eye and hearing tests are in process and will continue throughout the year.

Tine tests for the first and ninth grade students will be conducted in February or March. The usual smallpox clinic will be held in May.

Elmwood Street School

On September 9, 1970, Elmwood Street School opened to six hundred children. Elmwood Street School contains twenty-four classrooms consisting of grades one through four, as well as one special classroom, a gymnasium, cafetorium, library, and offices for guidance, reading coordinator, perceptually handicapped and the speech therapist.

Parents' Night was held at the school on November 12, 1970. Over three hundred people were able to visit our school and see the facilities and equipment that are being used by all the teachers to stimulate and motivate your children in their educational growth. The complete

staff and myself were all greatly pleased at the excellent comments that you, the people of Millbury, express about your school. So that all the children's parents could visit the schools to have a personal conference with their children's teachers, Wednesday afternoons were set aside for personal parent-teacher conferences. In addition school was closed on Wednesday, December 2nd, at noon, to allow parents to visit this school for personal conferences with the teachers. Over two hundred and fifty of the children's parents attended these personal conferences.

The highlight of this year was the expansion of our reading program into grades two and three. Last year we set up a pilot reading program in the fourth grades involving one hundred and eighty children. The enthusiasm on the part of the teachers and the results of this program after one year of operation were so gratifying that it was expanded into the other grades at the beginning of this school year. We presently have over four hundred and fifty children involved in this multi-level approach to reading. Children in this program are worked with at ability level and small group instruction is available to those children who are having difficulty. There is movement within these groups so that a child is constantly being worked with at the level where he or she needs help. Through the use of the Title I personnel we are able to individualize our program to the greatest extent and give to those children who have severe reading problems individual instruction. Because of the success of this program and the enthusiasm of the teachers we are presently planning to expand this program into the first grades at the beginning of the second half of this year.

We are able to offer to the children an excellent academic program which is enhanced by the use of the audio-visual machines and the new books and materials that have been provided for the children of Millbury. Having numerous grades at each level has brought about meetings of the teachers of each grade level to discuss various new techniques and better ways to present and offer the material to the children. These grade level meetings have also produced many ideas of upgrading the individual child's development.

The teachers of all grades are making excellent use of the audio-visual aid equipment in the building. Aids such as tape recorders, overhead projectors, tachistoscope language master, and filmstrip and slide projectors, as well as the educational 21 inch classroom are in common use throughout all the rooms.

There has been a major change in the town's elementary cafeteria program. This year, the cafeteria staff at Elmwood Street School is preparing and providing a hot lunch program to all the outlying elementary schools in Millbury. Children who last year went home for lunch are now able to get a hot lunch at their own school. This means that the cafeteria has to prepare approximately twelve hundred individual lunches which are then transported in a special van to all the other elementary schools.

In conclusion it has been our policy since the opening of your new Elmwood Street School in September of 1968 to offer the facilities of the school in the same manner as a community school. We will always be striving to set up programs within the school that will be a benefit to the children of Millbury. Our school's facilities are used constantly throughout the year both during the school day as well as in the evenings.

The facilities of the school are constantly used throughout the

year in an after-school program and during the summer. During the summer months Little League and the various softball teams make excellent use of our outside play area. During the winter months our gym program is in operation, affording all residents of Millbury a chance to use the facilities.

Center School and the Other Satellite Schools

Similar excitement in the newer educational developments were seen in the other elementary schools as well where a dedicated, competent staff did their best in the inadequate physical facilities. There is no comparison, however, to what *could* be taking place had we the facilities of the new elementary school. Hopefully, this will be remedied shortly.

Last year's innovative "Comprehensive Reading Program for Grade 5" was introduced into the grade 6 reading program as a result of evaluating test results which were both complimentary and encouraging.

This program continues to offer each pupil balanced and systematic instruction in the basic reading skills in a learning environment that gives him confidence and holds his interest. The pupils are grouped on a level of reading materials comfortable for them. This instruction is carried out through individualized reading, group instruction and team teaching.

During individualized reading sessions our teachers do differentiate instruction to the varied capabilities and interests of children. This type of program best lends itself to a non-graded reading program where grade lines are easily crossed and all stigmas resulting from placement in reading groups is totally removed.

Grouping is still one of the more satisfactory answers to the problems of teaching the various skills in a large classroom. Our group sessions continue to provide a steady growth in reading skills and abilities, basic understandings of language, attitudes, habits and interests appreciation and tastes. This is accomplished by all pupils reacting to and reading the same materials in their own group at the same time. Supplementary reading materials will continue to be used to secure the pupils newly acquired reading skills.

Team teaching is being used more and more in our reading program with plans being formulated for even a more extensive use in the coming year. (Two or more teachers accept joint responsibility for instructing a group of children.) We feel a team teaching arrangement provides far more flexibility in grouping and is a natural for non-grading.

One of Center-Union School's major problems was solved this year with the establishment of a cafetorium. The auditorium was utilized for this purpose. Excellent portable equipment was purchased making it an easy matter to convert from a cafetorium back to an auditorium. The task of keeping the building clean has been lessened considerably. I do not mean to imply that this is the ideal situation but is an attempt to alleviate part of the problem.

I would like to thank those who agreed to spending the necessary monies.

"Back-To-School Night" was very successful again this year. In the departmentalized sixth grade the parents were given the oppor-

tunity to go through a typical day in their children's schedule. Twelve minute periods were held and each teacher explained the aims and objectives of their particular subjects.

This year classes were dismissed at noon in order to arrange parent-teacher conferences. A total of 236 conferences were held and both the teacher and the parent had a better understanding of any problem that might have existed. In my opinion dismissal of classes for the afternoon is a very adequate way to handle this situation.

Assemblies were held in April to emphasize Ecology Week and appropriate films were shown. A poster contest was held and prizes were awarded for the outstanding poster. Winners were: Nancy Liberty, Gail Morin, Gail Maynard, and Jeffrey Royciewicz. Many interesting and informative talks were given by the children showing their knowledge of and concern for their environment. This program paved the way for a number of informative class periods in which the children became more aware of and concerned with this problem.

In other years, we have always had our annual Spring Concert here at Center-Union School but this year it was held at the Elmwood Street School. The use of this modern facility in combination with the band and chorus at Elmwood made the program much more interesting and appealing to the parents.

Several field trips were enjoyed again during this school year, including our annual trip to Sturbridge Village, trips to the Boston Science Museum, the Boston Museum of Fine Arts and the Fitchburg Planetarium. The educational value of these field trips cannot be over-emphasized. We believe the learning experience of these field trips cannot be duplicated in the classroom.

Secondary Program, Grades 7-12

Of greatest significance to those of us at the secondary school has been the competition between people and space. Although our available room space has remained the same, enrollment has increased greatly; one hundred pupils in two years in an already crowded school.

We expect to graduate 130 seniors in June, yet 225 pupils will enter the seventh grade.

It appears at this time that in order to accommodate our student body and at the same time improve our curriculum, our school day will have to be lengthened even more than is now being done. I am certain that there is no solution which will bring comfort to all people concerned.

During the present year we are teaching one new course at the high school level. An American History Seminar has been offered to seniors, affording them the opportunity to make further studies into certain areas of our country's history.

We have already had approved fifteen more curriculum changes for the coming year and our professional staff deserves much praise for their study and efforts toward making this all possible.

Last year's graduation was held out of doors and was quite satisfactory with the exception that the graduates were facing directly into the setting sun. Many people were able to attend graduation who could not have done so in our auditorium.

With the opening of school in September, we were fortunate in having few changes in the faculty of Millbury Junior High School. We had one change in the music department with Eleanor Harubin replacing Michael Nagy. In addition, we had Gerald Boudreau replace Daniel Carmody in the industrial arts program, who took on a greater administrative role.

Other new appointments were Dorene Griffin, who will teach 7th and 8th grade math in addition to her position as department head; Margaret Bradford who was appointed 7th and 8th grade girls physical education teacher, and Joseph Child who was appointed to teach 7th grade geography and 8th grade history.

On May 21 all members of the eighth grade class, accompanied by their teachers, went to Boston on an educational trip. The students were afforded the opportunity to visit the Boston Museum of Science as well as places of historical significance such as Old North Church, Bunker Hill Monument and Old Ironsides.

Intra-mural sports for girls in grades 7 and 8 with Miss Ann Harrington and Miss Margaret Bradford as coaches continued to be popular. They enjoyed competition in field hockey, basketball and volleyball.

Interscholastic baseball was continued for grades 7 and 8 boys, and intramural basketball was held in the spring.

Parents' night was held November 9 for grades 7-12. The parents were able to move through a normal day's schedule compressed into 10 minute periods and to listen to the teachers explain their programs. On November 10, the parents were invited back to classes during the school day to see the program in action. On December 2, we had a released time day and parent conferences were scheduled throughout the remainder of the day. The attendance during these programs demonstrated the interest many parents have in regards to the educational progress of their children.

When school opened in September, the total enrollment for grades 7 and 8 was 455. This is 25 more pupils than in September, 1969. In grade seven, there were 246 pupils; in grade eight, there were 209.

The cooperation and interest shown by the administration, the teachers, and the parents are sincerely appreciated. Their efforts have been of tremendous importance in furthering the educational improvement of the pupils of the Junior High School.

National Honorary Society

The following students gained recognition for meritorious performance and were elected: Carol Chunis, Michelle Cosky, Cynthia Cristo, Christine Donovan, Christine Doud, Patricia Graham, Joy Huchowski, Susan Lindstrom, Glenn Miller, Jeanne Parella, Suzanne Rogers, Pamela Van Ostrand.

Scholarship Awards

Scholarships and awards presented on Class Day included: Millbury Woman's Club—\$200 each, Mary Norton, Victoria Bauer; Millbury Credit Union—\$200, Steven Bekier; American Legion Auxiliary—\$100, Marcia Brady; American Legion Devoe Taylor Post #9—\$100, John Huchowski; Dorothy Manor Mothers' Club—\$200, Dean Anderson; Millbury Athletic Association—\$250, Joseph Kacevich; Dr. Marcus M. Henneberry Memorial—\$100, Victoria Bauer; Millbury

Teachers' Association—\$200 each, Ann O'Brien, Virginia Ward, Mary Norton; Millbury Memorial High School Student Body—\$100 each, Steven Bekier, John Huchowski; Millbury Memorial High School Dramatic Club—\$100, Sylvia Riendeau; Millbury Memorial National Honor Society—\$100 each, Steven Bekier, John Huchowski; Millbury Memorial Science Club—\$100, John Huchowski; Millbury Kiwanis Club—\$250 each, Marcia Brady, Steven Bekier; Jonathan R. Stockwell Scholarship—\$200 each, Mary Norton, Raymond Roach; West Millbury Social Union—\$50.00, Barbara Vielle; D.A.R. Good Citizenship Certificate, Mary E. Norton; Student Government Representative Award, Joseph B. Kacevich; Underwood Award of Merit to the Outstanding Business Education Student, Sylvia Riendeau; Dr. John Robert Gregg Shorthand Memorial Award, Sylvia Riendeau; Underwood Best Typist Award, Sylvia Riendeau; Readers Digest Award to the Valedictorian of the Graduating Class, Mary E. Norton; Rensselaer Mathematics and Science Award, Michelle Cosky; Special Athletic Award, Raymond T. Roach.

Horace Mann

We congratulate these students on their performance at the high school: Amelia Sachetto, Gail Sherman, Kevin Wall, Dianne Wilson, Michelle Cosky, Patricia Graham, Susan Lindstrom, Pamela Van-Ostrand.

Guidance Service

Expansion of the guidance program has taken place with the appointment of our new Guidance Director, Mr. William Cuning. Much of the work done since his arrival has appeared in the local news media and in the many meetings with parents held in recent months. A short report from the Director follows:

As I have been here at Millbury High School since September, 1970, my report will consist of only those months for which I have been responsible for the program.

Several changes have been instituted into the program and these will be enumerated below:

1. Cumulative Record Folder—A new cumulative record folder has been designed for use in grades 1-6 and 7-12. This folder will enable administrators, counselors, and teachers to analyze much more readily a student's progress throughout his 12 years in school.
2. Counseling—In order to better serve the needs of the students, counselors in grades 7-12 have been assigned students alphabetically at all grade levels. This allows the counselors more of an opportunity to know the student and his background much more thoroughly. At the elementary level the counselor serves more as a consultant, working with teachers, parents, and students. The counselor at the elementary level divides her time proportionally between all schools. However, with a ratio of 1400 students to 1 counselor only those students who are in immediate need of attention are serviced.
3. Parental Involvement—Since I firmly believe that parents should be involved with and are an integral part of any guidance program a great deal of effort is being expended in this area. The first of several programs was held with the parents of first graders. The purpose of this program was to make them aware of the services that are available to them

through the guidance department to assist them with their sons and daughters.

Extensive use of the telephone is being made particularly at the junior and senior high levels to keep parents aware of the progress being made. This has been particularly effective when working with seniors. We strongly urge that more parents contact us particularly at the first sign of any problem.

Other programs to involve parents will consist of a series of "Coffee Hours" to be held for the parents of grade 8 students to familiarize them with the programs that will be available to their sons or daughters in grade 9.

In addition to these there will be a Post High School Educational information program for the parents of juniors and the students, and in the spring plans are being made for a college night.

4. Follow-Up—A follow-up study has been done of the Class of 1970 in order to get their impressions as to what we here at Millbury High School could have done to prepare these young men and women to better meet their needs after graduation. Thirty-four percent of the graduating class reported to these questionnaires. An effort is still being made to get as many of these returned as possible.

In conjunction with this philosophy, a "Back to School" day was conducted by the guidance department for the Class of 1970. Approximately 45 members of the Class of 1970 attended this event which hopefully will be an annual one.

5. Testing Program—A new testing program will be introduced into the Millbury schools this spring. The decision as to the instrument to be used was made by the administrators and counselors after careful analysis of the tests. The results of these tests will provide meaningful information with regard to curriculum and student assistance in their courses.
6. Interviews—Many times questions are asked and statements made as to the number of students that are seen by the counselors. During the first 71 days of school that ended on December 31, 1970, the following statistics were gathered pertaining to counselor interviews:

Personal Conferences	252
Educational & Vocation Conferences	1195
Conferences with Parents and Teachers	486
Conferences with Outside Agencies	111
Total Conferences	2044

In addition the counselors are involved in writing reports and recommendations, meeting with students on an informal basis and in group sessions.

The graduation program for the Class of 1970 was beautifully conceived and presented:

GRADUATION CLASS OF 1970

Processional	Graduating Class
Invocation	Rev. Elton Brown
O Holy Saviour	William Gardiner

Chorus

The Role of the Liberal in Tomorrow's Society	John Huchowski
Travel, the Educator	Sylvia Riendeau
The Revolution in Education	Cynthia Woll
Dissent Within the System	Mary Norton
I Believe	Harry Wilson

Chorus

Presentation of Diplomas	Mr. Randolph G. Mogren, Jr.
Recessional	Graduates

Mrs. Margaret Rhodes	Elmwood Street	June 17, 1970
Sylvia Silvy	Burbank	June 17, 1970

During 1970, Millbury paid tribute to six retiring teachers who devoted many years of their lives to furthering our children's education. Lest we forget too soon their golden accomplishments, let me speak for the entire community, in a spirit of pride that words cannot adequately express, that as you enter a new phase in your lives we wish you the very best of health and happiness. "Thank you" for the pleasure of your association and your contributions to our community.

Conclusion

May I again express my appreciation for everyone's help in furthering the goals of our department. To the students who must follow in the paths of those who have gone before, to the patient parents who monitor this progress, and to the team effort by everyone both in and out of the spotlight. We cannot rest on laurels gained; we must strive for laurels not yet achieved. This is a community effort, and the very least we can do for each and every student.

Respectfully submitted,

IRWIN C. ELKINS

Superintendent of Schools

Report of Blackstone Valley Vocational Regional District School Committee

The Blackstone Valley Vocational Technical High School is now in its fourth year of operation with (62) students attending from the Town of Millbury.

HIGHLIGHTS OF THE YEAR

In September we started our fifth year of operation with 83 seniors, 89 juniors, 127 sophomores, and 161 freshmen for a total of 460 pupils. The number of boys from each of the towns was as follows: 40 from Bellingham, 22 from Blackstone, 15 from Douglas, 53 from Grafton, 24 from Hopedale, 14 from Mendon, 67 from Milford, 62 from Millbury, 7 from Millville, 53 from Northbridge, 30 from Sutton, 25 from Upton, and 48 from Uxbridge.

Lincoln Arc Welding Foundation Awards

For the third successive year Blackstone Valley Tech has soared to the top again, leading the entire United States in awards won by its students in the annual Lincoln Arc Welding Foundation contest.

Competing with hundreds of high schools throughout the country, 12 Valley Tech students came through with 3 National Grand Awards, 6 Regional Awards, and 2 merit awards, totaling \$2,625 in prize money for themselves and the school. The closest competitor was far behind, winning a total of only 3 awards.

David W. Obara, a senior, son of Mr. and Mrs. Vincent W. Obara of 15 Hayward Lane, Millbury, was the first place National Grand Award Winner.

The Lincoln Electric Company created the James F. Lincoln Arc Welding Foundation in 1936 to encourage interest and study in arc welding. The Foundation sponsors the Arc Welding Awards annually for full-time high school, technical or vocational school students in the United States 19 years old or younger. This Award Program offers an opportunity to compete for \$15,000 in regional and national cash awards. These awards are made for the best written reports describing arc welded school shop projects. The entry must not be more than 25 pages in length and should

contain detailed descriptions of the operations, all necessary calculations, photographs, sketches and drawings.

Evening Trade Extension Courses

The evening trade extension courses for adults started Monday, October 5, 1970. These classes are open to persons over 16 years of age who are not attending school and who can show evidence of trade contact with the specific training desired. The following courses were offered: Auto Body Repair, Auto Mechanics, Mill and House Carpentry, Electronics, Electrical, Machine Shop, Metal Fabrication, Plant Maintenance Drafting, Graphic Arts, Plumbing, and Blueprint Reading. A total of 387 adults were registered and 332 were enrolled in these courses. The number of students from each of the towns was as follows: 12 from Bellingham, 13 from Blackstone, 14 from Douglas, 24 from Grafton, 22 from Hopedale, 12 from Mendon, 75 from Milford 15 from Millbury, 5 from Millville, 54 from Northbridge, 14 from Sutton, 32 from Upton, and 40 from Uxbridge.

CONCLUSION

Midway through our fifth school year we feel that the Blackstone Valley Regional Vocational High School is operating efficiently and serving the people of the area effectively in several divergent capacities as shown in the number of students who enrolled in the regular day program and in the adult training programs:

1. 460 freshman, sophomore, junior and senior boys in the day program.
2. 332 men and women in the Evening Trade Extension program.
3. 15 young men in the Automotive Machinist program.

Thus we have offered about 807 people the opportunity to further their education and to increase their vocational skills. In addition our school is in operation from 8:00 A.M. to 9:30 P.M. every day except Friday when we close at 4:00 P.M.

At the close of 1970 we feel satisfied with our year's achievements our staff and students have all cooperated to help maintain the standards we have set in previous years; and once again we would like to thank the communities of the region for their support and encouragement.

Town	Capital Assessment	Operating Expenses	Total	Income Chapter 779
Millbury	\$11,171.00	\$77,295.00	\$88,466.00	\$79,673.00

Net cost to the town (\$8,793.00).

It has been a pleasure to serve as Chairman of the
Blackstone Valley Vocational Regional District Committee.

Respectfully submitted,

LEODORE J. TEBO, JR.

Report of the Finance Committee

To the citizens of Millbury:

The Finance Committee hereby respectfully submits its annual report and recommendations. We feel that the following items should be given serious consideration by the citizens of the Town of Millbury:

1. IT IS TIME THE STATE LEGISLATORS COME TO THE AID OF THE PROPERTY OWNERS by deriving new revenues to pay for the mandatory programs instituted by this body.
2. It is time for the citizens of Millbury to get off their APATHY and revitalize their town government. Efficiency in government will only come from those who are governed.
3. The longer we go without a professional administrator the more it is going to cost the TAXPAYER.
4. The money spent by the town of Millbury comes from its citizens. We urge all town departments to economize and make their operations more efficient in order to be able to return funds to the town at the end of 1971.
5. We would appreciate the cooperation of all departments in submitting their budgets on time in 1971.
6. We urge that all citizens exercise their responsibility to take an *active* part in town government by attending all special town meetings. Our failure in this area will cost us \$25,000.00 on this years tax rate.
7. We suggest that the citizens not make any panic decisions concerning our recent fire.

Respectfully submitted,

RONALD STEAD, *Chairman*
 SYLVIO E. BOURDEAU, *Vice Chairman*
 WARREN SENECA, *Secretary*
 JAMES F. HAYES
 KEVIN KANE
 RICHARD W. KENDRICK
 THOMAS H. MALONEY
 DONALD ORRELL
 ROBERT J. RUDGE

Town Warrant

To either of the Constables of the Town of Millbury, in the County of Worcester.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are directed to notify and warn the inhabitants of the Town of Millbury qualified to vote in election and town affairs to meet at their respective voting places to wit: Precinct No. 1 at the Basement of the Baptist Church; Precinct No. 2 at the Elmwood Street School; Precinct No. 3 at the Memorial High School; Precinct No. 4 at the Dorothy Manor School; and Precinct No. 5 at the East Millbury School on Saturday the thirteenth day of March, next at 8:00 in the forenoon, to elect the following officers to wit:

ARTICLE 1. To choose a Highway Surveyor, and a member of the Parks Commission all for a term of one year; an Auditor for a term of two years; a Selectman, a Town Clerk, a Tax Collector, an Assessor, a Trustee of the Public Library, a Cemetery Commissioner, a member of the Board of Health, a member of the Sewerage Commission, and six Constables all for a term of three years; a member of the Planning Board, a member of the Redevelopment Authority, a member of the Parks Commission, and a member of the Housing Authority all for a term of five years.

ARTICLE 2. To choose all other necessary Town Officers for the year ensuing and to meet on March 6, 1971, at 2:00 p.m. in the Memorial High School Auditorium in said Millbury and to act on the following articles to wit:

ARTICLE 3. To hear the reports of several Town Officers and Committees and act thereon.

ARTICLE 4. To raise and appropriate such sums of money as may be necessary to defray Town Charges for the year ensuing, including sums for the lighting of Streets, the salaries of town officials, the maintenance of the Town Library, the observance of Memorial and Armistice Days, Care and improvement of cemeteries care of clocks, care of fire alarm, the use of the Tree Warden, the use of Department of Veterans' Services, use of Emergency Dispatcher, salaries of Fire and Police Departments, Retirement Pensions, Town Engineer, or take any action thereon.

ARTICLE 5. To choose any Committee or Committees that may be thought necessary.

The Finance Committee recommends favorable action on this article.

ARTICLE 6. To see what action the Town will take regarding the hiring of nine or more policemen to patrol our streets and to raise and appropriate money for the same, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 7. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue for the financial years beginning January 1, 1971, and January 1, 1972, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to renew any note or notes as may be given for a period of less than one year, in accordance with the provisions of General Laws, Chapter 44, Section 17, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell, after giving notice of the time and place of sale by posting such notice of sale in some convenient and public place in the Town, fourteen days at least before the sale, property taken by the Town under Tax Title Procedure provided the Selectmen, or whomsoever they may authorize to hold such public auction may reject any bid which they deem inadequate, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 9. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to provide for extraordinary or unforeseen expenditures under the provisions of Chapter 40, Section 6, of the General Laws of Massachusetts, to be known as the Reserve Fund, or take any action thereon.

The Finance Committee recommends and moves that the sum of Fifteen Thousand Dollars (\$15,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 10. To see if the Town will vote to raise and appropriate a sum of money to be used by the Selectmen to settle claims for personal property damage or incidental personal injury claims that may be brought against the Town, or take any action thereon.

The Finance Committee recommends and moves that the sum of Five Hundred Dollars (\$500.00) be raised and appropriated for the purpose of this article.

ARTICLE 11. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Treasurer for filing fees and the necessary expenses of foreclosing certain Tax Titles now held by the Town, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Dollars (\$1,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money to provide one police officer for traffic duty at the Saturday Evening Mass and at all Sunday Masses at St. Brigid's Church and Sunday Services at the Federated and Baptist Churches, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Seven Hundred and Sixteen Dollars (\$1,716.00) be raised and appropriated for the purpose of this article.

ARTICLE 13. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury a sum of money to be expended in conjunction with any money which may be allotted by the State or County, or both, under the provisions of Chapter 90 of our General Laws to continue the reconstruction of Grafton Street, or take any action thereon.

The Finance Committee recommends and moves that the sum of Twenty-six Thousand Dollars (\$26,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 14. To see if the Town will vote to raise and appropriate the sum of Nineteen Hundred Dollars (\$1,900.00) to be expended under the supervision of the Board of Selectmen and the Highway Surveyor for the purpose of installing, repairing and replacing the Town street and highway fences wherever necessary, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Nine Hundred Dollars (\$1,900.00) be raised and appropriated for the purpose of this article.

ARTICLE 15. To see if the Town will vote to raise and appropriate a sum of money to place Memorial Wreaths on the monuments situated at each Veteran's Square in the Town, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Hundred and Fifty Dollars (\$150.00) be raised and appropriated for the purpose of this article.

ARTICLE 16. To see if the Town will vote to raise and appropriate a sum of money to add to the Stabilization Fund for the Town of Millbury, or take any action thereon.

The Finance Committee recommends and moves that the sum of Fifty Thousand Dollars (\$50,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 17. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to sponsor a band concert and fire works to be held on the 4th of July 1971 — this event to be held in conjunction with an all day affair sponsored by the Millbury Fire Department, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be raised and appropriated for the purpose of this article.

ARTICLE 18. To see if the Town will vote to authorize the Board of Assessors to use a sum not in excess of that approved by the Director of Accounts as Millbury's "Free Cash" to reduce the tax rate in 1971, or take any action thereon.

ARTICLE 19. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to begin remodeling the first floor of the Town Hall Building, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 20. To see if the Town will vote to raise and appropriate or transfer from available funds the sum of Ten Thousand Dollars (\$10,000.00) to be expended by the School Building Needs Committee for the purpose of hiring an architect to draw preliminary plans for an addition to the existing high school, and a new elementary school or addition, or take any action thereon.

The Finance Committee recommends and moves that the sum of Ten Thousand Dollars (\$10,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 21. To see if the Town will vote to authorize the present School Building Needs Committee to continue in its present capacity and report back to the next Annual Town Meeting or at a Special Town Meeting called for this purpose, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 22. To see if the Town will vote to raise and appropriate a sum of money to build and equip a new Police Station to be located at the rear of the Fire Headquarters Building on Elm Street, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 23. To see if the Town will vote to authorize the present Police Station Study Committee to act as a Police Station Building Committee, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 24. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 18 at the corner of Dorothy Lane and Oak Pond Avenue, or take any action thereon.

The Finance Committee recommends and moves that Articles 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, and 35 be taken as one and that the sum of Eight Hundred and Fifty-five Dollars (\$855.00) be raised and appropriated for the purpose of these articles.

ARTICLE 25. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 41 on West Main Street, or take any action thereon.

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 3 on Lake view Road, or take any action thereon.

ARTICLE 27. To see if the Town will vote to raise and appro-

priate a sum of money to install a street light on Pole Number 41-1 on Cristo Lane, or take any action thereon.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to install two (2) street lights on Bayberry Lane on Poles Number 2 and 6, or take any action thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 6 on Rogers Street, or take any action thereon.

ARTICLE 30. To see if the Town will vote to raise and appropriate a sum of money to install a street light on Pole Number 51 on South Oxford Road and to move the street light on Pole Number 52 to Pole Number 53, or take any action thereon.

ARTICLE 31. To see if the Town will vote to raise and appropriate a sum of money to replace the present 1,000 lumen light on Pole Number 49 on South Oxford Road with a 3,500 lumen mercury vapor light, or take any action thereon.

ARTICLE 32. To see if the Town will vote and appropriate a sum of money to replace the present 1,000 lumen lights with 3,500 lumen mercury vapor lights on Poles #2, 6, 8, 9, 12, 17, 19 and 21 on Davis Road, or take any action thereon.

ARTICLE 33. To see if the Town will vote to raise and appropriate a sum of money to replace the present 1,000 lumen light on Pole Number 31 on Wheelock Avenue with a 3,500 lumen mercury vapor light, or take any action thereon.

ARTICLE 34. To see if the Town will vote to raise and appropriate a sum of money to replace the present 1,000 lumen lights on Poles Number 2 and 22 on MacArthur Drive with 3,500 lumen mercury vapor lights, or take any action thereon.

ARTICLE 35. To see if the Town will vote to raise and appropriate a sum of money to replace the street light on Pole Number 4 on Shore Terrace with a 7,000 lumen mercury vapor light, said light to be turned to illuminate the basketball court at the Dorothy Pond Playground, or take any action thereon.

ARTICLE 36. To see if the Town will vote to accept a street light on Pole Number 36 located on Greenwood Street in the vicinity of the Williams Property, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 37. To see if the Town will vote to contract with the Massachusetts Water Works Company, Inc., for the installation of one fire hydrant on John F. Kennedy Memorial Drive, between Numbers 25 and 29, the exact location to be determined by the Board of Fire Engineers, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 38. To see if the Town will vote to raise and appropriate the sum of One Thousand Dollars (\$1,000.00) to extend the fire alarm system on Singletary Road for a distance of fourteen (14) pole sections, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Dollars (\$1,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 39. To see if the Town will vote to raise and appropriate the sum of Eight Hundred and Fifty Dollars (\$850.00) to extend the fire alarm system on Carousel Drive for a distance of ten (10) pole sections, or take any action thereon.

The Finance Committee recommends and moves that the sum of Eight Hundred and Fifty Dollars (\$850.00) be raised and appropriated for the purpose of this article.

ARTICLE 40. To see if the Town will vote to raise and appropriate a sum of money to purchase two new police cruisers, this purchase to be made by a committee composed of the Board of Selectmen and the Police Chief, or take any action thereon.

The Finance Committee recommends and moves that the sum of Five Thousand Two Hundred Dollars (\$5,200.00) be raised and appropriated for the purpose of this article.

ARTICLE 41. To see if the Town will vote to raise and appropriate a sum of money to purchase a breathalyzer for use by the Police Department, said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 42. To see if the Town will vote to raise and appropriate a sum of money to purchase a three-wheel motorcycle for use by the Police Department, said purchase to be made by a committee composed of the Board of Selectmen and the Chief of Police, or take any action thereon.

The Finance Committee recommends and moves that the sum of Two Thousand Six Hundred Dollars (\$2,600.00) be raised and appropriated for the purpose of this article.

ARTICLE 43. To see if the Town will vote to raise and appropriate a sum of money to contract with the New England Telephone Company for the installation of the 911 emergency telephone service, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Five Hundred Dollars (\$1,500.00) be raised and appropriated for the purpose of this article.

ARTICLE 44. To see if the Town will vote to authorize the Assessors to enter into a contract for Fifty-seven Thousand Dollars (\$57,000.00) for the expert appraisal of taxable property within the Town as provided under Section 4 of Chapter 40 of the General Laws as amended by Chapter 63 of the Acts of 1966 and to vote for the payment of the charges incurred under these contracts by taxation, by transfer from available funds, or by borrowing as provided under the provisions of Section 7 of Chapter 44 of the General Laws, as amended by Chapter 63 of the Acts of 1966.

The Finance Committee recommends and moves that the sum of Fifty-seven Thousand Dollars (\$57,000.00) be raised and appropriated

for the purpose of this article. It further recommends that 1/3 or \$19,000.00 be raised on this years tax rate and that the remaining 2/3 or \$38,000.00 be borrowed over a two year term.

ARTICLE 45. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Dollars (\$700.00) to pay the cost of advertising amendments to the Town By-laws and Zoning Map, or take any action thereon.

The Finance Committee recommends and moves that this article be moved to follow article No. 103.

ARTICLE 46. To see if the Town will vote to accept John F. Kennedy Memorial Drive as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 47. To see if the Town will accept Rogers Street as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 48. To see if the Town will vote to accept the street leading from West Main Street around the back of so-called Round Pond and back to West Main Street, said road known as Old West Main Street, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 49. To see if the Town will vote to accept Herricks Lane as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 50. To see if the Town will vote to accept Lakeview Avenue as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 51. To see if the Town will vote to accept Matson Lane as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 52. To see if the Town will vote to accept Louis Ballard Lane as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 53. To see if the Town will vote to accept Wedgewood Lane as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 54. To see if the Town will vote to accept Laurel Drive as a public street, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 55. To see if the Town will vote to accept Juniper Drive as a public street from its present point at Pole Number 8 to Pole Number 16, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 56. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the westerly side of Greenwood Street, or take any action thereon.

The Finance Committee recommends and moves that the sum of Six Thousand Five Hundred and Fifty Dollars (\$6,550.00) be raised and appropriated to construct a sidewalk on the easterly side of Greenwood Street.

ARTICLE 57. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk on the westerly side of Millbury Avenue from Number 17 Millbury Avenue to Massachusetts Water Works, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 58. To see if the Town will vote to raise and appropriate a sum of money to construct a sidewalk from Brierly's Pond to the Town Line on Sutton Road, said sidewalk location to be determined by the Massachusetts Department of Public Works, or take any action thereon.

The Finance Committee recommends and moves that the sum of Eight Thousand Two Hundred and Three Dollars (\$8,203.00) be raised and appropriated for the purpose of this article.

ARTICLE 59. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem at the intersection of Millbury Avenue and Linda Avenue, or take any action thereon.

The Finance Committee recommends and moves that the sum of Two Thousand Four Hundred Dollars (\$2,400.00) be raised and appropriated for the purpose of this article.

ARTICLE 60. To see if the Town will vote to raise and appropriate a sum of money to reconstruct a section of Auburn Road and install necessary drainage from the residence of Edward Hill to the property of Leonard Koehler, or take any action thereon.

The Finance Committee recommends and moves that this work be done under a three-phase program, and that the sum of Eight Thousand Dollars (\$8,000.00) be raised and appropriated for phase one of this program.

ARTICLE 61. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem in the vicinity of 137 Park Hill Avenue, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Eight Hundred and Twenty-seven Dollars (\$1,827.00) be raised and appropriated for the purpose of this article.

ARTICLE 62. To see if the Town will vote to raise and appropriate a sum of money to install necessary catch basins on the new section of Sullivan Place, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Six Hundred and Ninety-five Dollars (\$1,695.00) be raised and appropriated for the purpose of this article.

ARTICLE 63. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem on the northerly side of Manor Road across from Wilson Road, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Thousand Eight Hundred and Fifty Dollars (\$1,850.00) be raised and appropriated for the purpose of this article.

ARTICLE 64. To see if the Town will vote to raise and appropriate a sum of money to reconstruct and resurface Elm Court, or take any action thereon.

The Finance Committee recommends and moves that this work be done under a three-phase program, and that the sum of Six Thousand Dollars (\$6,000.00) be raised and appropriated for phase one of this program.

ARTICLE 65. To see if the Town will vote to raise and appropriate a sum of money to resurface Rogers Street from Border Avenue to Brooks Street, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 66. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem on the opposite side of Number Five Henry Street, or take any action thereon.

The Finance Committee recommends and moves that the sum of Five Thousand Six Hundred Dollars (\$5,600.00) be raised and appropriated for the purpose of this article.

ARTICLE 67. To see if the Town will vote to raise and appropriate a sum of money to continue the next phase of the reconstruction of Braney Road, or take any action thereon.

The Finance Committee recommends and moves that the sum of Seven Thousand four Hundred Dollars (\$7,400.00) be raised and appropriated for the purpose of this article.

ARTICLE 68. To see if the Town will appoint a committee to study the practicality to construct a road from Millbury Avenue in the Dorothy Pond area to Martin Street in the vicinity of the Memorial High School, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 69. To see if the Town will accept two (2) drainage easements from Valley Homes, property located on the easterly side of Braney Road, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 70. To see if the Town will vote to authorize the Board of Selectmen to study the means of removing the "S" curve on Stone Road and report back to the next Annual Town Meeting, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 71. To see if the Town will vote to raise and appropriate a sum of money for paving sewerred streets, or take any action thereon.

The Finance Committee refers to the Selectmen (\$12,596.35).

ARTICLE 72. To see if the Town will vote to raise and appropriate a sum of money for paving sewerred streets, or take any action thereon.

The Finance Committee refers to the Selectmen (\$21,406.80).

ARTICLE 73. To see if the Town will vote to raise and appropriate or transfer from available funds in the Town Treasury the sum of Seven Thousand Two Hundred Five Dollars and seventy-two Cents (\$7,205.72) to the Chapter 616 Account to be used with any other money which may be allotted by the State under the provisions of Chapter 768 for the purpose of reconstructing a portion of Wheelock Avenue, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 74. To see if the Town will vote to raise and appropriate the sum of Five Hundred and Ninety-five Dollars (\$595.00) for the purchase and installation of an incinerator for the Town Hall Building, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 75. To see if the Town will vote to raise and appropriate a sum of money to install a pedestrian control signal on Providence Street near the corner of Pearl Street at a location to be determined by the Massachusetts Department of Public Works, or take any action thereon.

The Finance Committee recommends and moves that the sum of Nine Thousand Six Hundred Dollars (\$9,600.00) be raised and appropriated for the purpose of this article.

ARTICLE 76. To see if the Town will vote to raise and appropriate a sum of money to install one hundred (100) feet of sidewalk, more or less, on the south side of Providence Street in an easterly direction from the corner of Pearl Street to be used in conjunction with the proposed pedestrian control signal (with one section of granite curbing at the light), or take any action thereon.

The Finance Committee recommends and moves that the sum of Five Hundred and Fifty Dollars (\$550.00) be raised and appropriated for the purpose of this article.

ARTICLE 77. To see if the Town will vote to raise and appropriate a sum of money to modify the large boiler to accommodate the

entire Town Hall Building and to retire the small boiler, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 78. To see if the Town will vote to accept the deed of Anna E. Rocheleau to a tract of land situated on the westerly side of Riverlin Street containing 1,897 square feet more or less and to a tract of land on the northerly line of Mayfair Drive containing 409 square feet more or less as shown on a plan recorded in the Worcester District Registry of Deeds in Plan Book 203, Plan 41, without consideration, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 79. To see if the Town will vote to raise and appropriate the sum of Eight Hundred and Seventy-eight Dollars and Forty-one cents (\$878.41) to pay an overdue gasoline bill for 1970, or take any action thereon.

The Finance Committee recommends and moves that the sum of Eight Hundred Seventy-eight Dollars and Forty-one Cents (\$878.41) be raised and appropriated for the purpose of this article.

ARTICLE 80. To see if the Town will vote to accept the provisions of Chapter 41, Section 108L of the General Laws as amended.

The Finance Committee recommends favorable action on this article.

ARTICLE 81. To see if the Town will vote to raise and appropriate a sum of money to provide salary increases for any police officer attending an accredited college or junior college in accordance with Chapter 41, Section 108L of the General Laws, as amended, or take any action thereon.

The Finance Committee recommends favorable action on this article.

ARTICLE 82. To see if the Town will vote to amend the By-laws of the Town of Millbury by inserting under Article 3 after Section 8, the following Section to wit: SECTION 9. All committees formed or established by the Town Meeting shall report, as directed by the Town Meeting. If no report is made as directed or within a year after its appointment, a committee shall be discharged unless the Town Meeting shall have granted an extension of time.

The Finance Committee recommends favorable action on this article.

ARTICLE 83. To see if the Town will vote to raise by appropriation or transfer the sum of Sixty Thousand Dollars (\$60,000.00) for the purpose of constructing a fire station on land owned by the Town of Millbury on Grafton-Worcester Road in East Millbury, or take any action thereon.

The Finance Committee recommends and moves that the sum of Sixty Thousand Dollars (\$60,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 84. To see if the Town will vote to raise by appro-

priation or transfer the sum of Thirty-eight Thousand Dollars (\$38,000.00) to purchase a new fire engine or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 85. To see if the Town will vote to transfer the sum of One Hundred Forty Dollars and eight cents (\$140.08) from the Insurance Fund to pay bills for damages to the Town Hall, or take any action thereon.

The Finance Committee recommends and moves that the sum of One Hundred Forty Dollars and Eight Cents (\$140.08) be raised and appropriated for the purpose of this article.

ARTICLE 86. To see if the Town will vote to raise and appropriate a sum of money to lease the former A & P Parking Lot on Elm Street from the C. D. Whitney Agency to be used for off-street parking, or take any action thereon.

The Finance Committee refers to the Selectmen (\$6,000.00).

ARTICLE 87. To see if the Town will vote to raise and appropriate a sum of money to purchase a Chipper for use by the Tree Warden, said purchase to be made by a committee composed of the Board of Selectmen and the Tree Warden, or take any action thereon.

The Finance Committee recommends and moves that the sum of Five Thousand Dollars (\$5,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 88. To see if the Town will accept the deed of David C. and Angelina R. Lynch to a tract of land situated on the southerly side of North Main Street containing 34,730 square feet more or less as recorded in the Worcester District Registry of Deeds Book 5023, Page 163.

The Finance Committee recommends favorable action on this article.

ARTICLE 89. To see if the Town will vote to raise and appropriate a sum of money to purchase a new grader for use by the Highway Department, said purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 90. To see if the Town will vote to raise and appropriate a sum of money to purchase a dump truck for use by the Highway Department, said purchase to be made by a committee composed of the Board of Selectmen and the Highway Surveyor, according to Town By-law, or take any action thereon.

The Finance Committee recommends and moves that the sum of Fourteen Thousand Dollars (\$14,000.00) be raised and appropriated for the purpose of this article.

ARTICLE 91. To see if the Town will authorize the Board of Selectmen to apply to the Department of Housing and Urban Development or any other agency of the Federal Government for an interest-free advance not to exceed Twelve Thousand Dollars (\$12,000.00) to

work out a preliminary engineering report and preliminary plans for a separate storm drain system for the Town in order to assure the health benefits resulting from the complete separation of sanitary flows and surface run-off to accept such advance when granted, to provide the Federal Government and its agencies with such information as may be required, such advance to be repaid if and when the Town constructs these facilities.

The Finance Committee recommends favorable action on this article.

ARTICLE 92. To see if the Town will vote to 1. Forbid any new billboards to be erected in the Town of Millbury: and 2. Have all billboards located in a Residential or Suburban Zoned area removed within one year, or take any action thereon.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 93. To see if the Town will vote to raise and appropriate a sum of money to purchase a 1971 three-quarter ton pick-up truck for the use of the Sewer Department, said purchase to be made according to Town By-law, or take any action thereon.

The Finance Committee recommends and moves that the sum of Two Thousand Nine Hundred Dollars (\$2,900.00) be raised and appropriated for the purpose of this article.

ARTICLE 94. To see if the Town will vote to raise and appropriate a sum of money to purchase land in the Park Hill area, such land to be used for recreational purposes, or take any action thereon.

The Finance Committee recommends and moves that the sum of Three Hundred Dollars (\$300.00) be raised and appropriated for the purpose of this article.

ARTICLE 95. To see if the Town will vote to accept the provisions of Chapter 40, Section 12 of the General Laws, as amended.

The Finance Committee recommends favorable action on this article.

ARTICLE 96. To see if the Town will vote to raise and appropriate a sum of money to purchase twenty (20) acres of land, more or less, in the Riverlin Street, Little Dorothy Area, to be used for swimming and recreational purposes, or take any action thereon.

The Finance Committee refers to the Swim Committee.

ARTICLE 97. To see if the Town will vote to amend the Building Codes of the Town of Millbury by inserting after Section 17, the following Section to wit: Section 18. Swimming Pools.

- A. Each swimming pool shall be enclosed by a fence not less than four (4) feet (48") in height and shall completely enclose the swimming pool area. Each fence must have a gate that shall be locked when such pool is not being used or is unattended and the latching device shall be located a minimum of three (3) feet from grade level, and a locking device attached thereto. Fencing for above ground pools shall be deemed to be complied with if there is a ladder that may be raised, removed, secured, hoisted or locked in a raised position.

- B. Pools of the above ground type with side walls less than four (4) feet must be fenced according to Section A.
- C. Each fence and gate shall be constructed either of wire mesh, wood or concrete blocks. Posts and cross pieces of any fence shall be placed on the inside or pool side of said fence. Mesh or openings in fence shall be no larger than two inches wide and four inches high. (2" x 4")
- D. All metal fences, enclosures, or railings near or adjacent to a swimming pool to which bathers have access, which may become electrically alive as a result of contact with broken overhead conductors, or from any other cause, shall be effectively grounded. All lighting and electrical equipment shall be installed according to the National and State Electrical Codes, and shall comply to local inspection and permit requirements.
- E. Each pool affected by the provisions of this By-law and in existence at the time of the adoption of this By-law shall be fenced in accordance with the provisions of this By-law no later than sixty (60) days after its acceptance, approval and publication.
- F. Anyone violating any provision of this By-law shall be fined not more than \$50.00.

The Finance Committee recommends favorable action on this article.

ARTICLE 98. To see if the Town will vote to amend the By-laws of the Town of Millbury by inserting under Article 15 after Section 5, the following Section to wit: SECTION 6. Public administration research collection at Public Library.

There is hereby established, and there shall hereafter be maintained a public administration research collection at the Town's Public Library, the same to be under the supervision of the Library Trustees, for the use of the Town officers and committees, civic organizations and individual citizens of the Town engaged in research in matters pertaining to governmental and social problems, particularly as they relate to the Town. To the extent that the Town Clerk's Office and the Library Department facilities permit, they shall assist the Town Meeting and any committee thereof in all matters requiring statistical research or fact finding in connection with studies ordered by the Town Meeting.

SECTION 6A. The chairman of each temporary study committee established by the Town Meeting shall upon termination of the existence and the work of his committee, deposit with the Town Clerk the working papers and other material (including meeting notes and minutes, preliminary drawings) gathered or compiled by the committee in the course of its work. The original material shall remain in the Town Clerk's Office and copies of such shall be suitably prepared and reproduced for deposit with the Library Trustees to be placed in the public administration collection, subject to the approval of the Town Clerk and the requirements of Chapter 66 of the General Laws of the Commonwealth, the Library Trustees may destroy so much of said working papers and material as has no substantial value; and the balance shall be deposited in the public administration collection.

SECTION 6B. The Town Clerk shall furnish the Town Library Trustees with at least two (2) copies of every publication issued by the Town and distributed through said Town Clerk's Offices; and any

Town department, board, commission or committees publishing a report not so distributed shall file at least two (2) copies thereof with the Town Library Trustees for deposit in the public administration collection.

SECTION 6C. Except as the laws of the Commonwealth may otherwise require, the chairman of each building committee, or his designated representative, shall upon the termination of the existence and work of his committee: (1) provide the Town department which is to operate and maintain the building with a complete, corrected final set of plans of the finished structure, and shall relinquish to said department all papers guaranteeing the structure or any feature thereof, material used therein, or work done thereon, and (2) relinquish the remaining papers of said committee to the Town Clerk for the purposes specified in Section 6A, including therewith an inventory indicating what papers, materials and records were deposited with the Town department specified. Subject to the approval of the Town Clerk and the requirements of Chapter 66 of the General Laws, the Town Library Trustees may destroy so much of the material relinquished to the library as has no substantial value; and the balance of such material shall be deposited in the public administration collection.

The Finance Committee recommends favorable action on this article.

ARTICLE 99. To see if the Town will vote to assume seventy-five per cent (75%) of the cost of medical and hospital insurance coverage.

The Finance Committee recommends and moves that this article be indefinitely postponed.

ARTICLE 100. To see if the Town will vote to appoint a committee to study the possible revision of the Building Codes and report back at the next Annual Town Meeting.

The Finance Committee recommends favorable action on this article.

ARTICLE 101. To see if the Town will vote to amend the Millbury Zoning By-laws by deleting it and substituting therefore the following proposed Zoning By-law:

ARTICLE 1. ADMINISTRATION AND PROCEDURE

SECTION 11. PURPOSE

The purpose of this by-law is to promote the health, safety, convenience, amenity and general welfare of the inhabitants of the Town of Millbury, through encouraging the most appropriate use of land, as authorized by Chapter 40A of the General Laws.

SECTION 12. ADMINISTRATION

12.1 BUILDING INSPECTOR. This by-law shall be administered by the Selectmen through a building inspector appointed by them.

12.2 PERMITS REQUIRED. No structure of more than 64 sq. ft. floor area shall be erected or externally altered without a building permit having been issued by the Building Inspector, and no use of land or a building shall be begun or changed without an occupancy permit having been issued by the Building Inspector. No such permits shall be issued for construction or use in violation of any provision of this By-law.

12.3 PERMIT APPLICATION. Applications for permits for construction shall be accompanied by two prints of a plan of the lot, drawn to

scale, showing the actual dimensions of the lot, exact location and size of any existing or proposed buildings, and streets and ways adjacent to the lot. Where such are involved, any parking areas for six or more cars and their means of egress, and any required screening or landscaping, shall also be shown.

12.4 SITE PLAN REVIEW. Applications for permits for construction, if requiring ten or more parking spaces, shall be accompanied by a third print of the plan of the lot, and be referred to the Planning Board for their review and advisory report, and no building permit shall be issued prior to receipt of such report unless 30 days lapse from the date of referral.

12.41 Plans subject to section 12.4 shall, in addition to the information required above, also show existing and proposed topography, water, sanitary sewerage, and storm drainage.

12.42 Such plans shall be so designed as to assure safety of internal circulation and egress, provide adequate access to each structure for fire and service equipment, and assure adequate utility service and drainage, consistent with the performance standards of the Subdivision Regulations of the Millbury Planning Board.

12.5 PENALTY. Any person violating any of the provisions of this by-law shall be fined not more than \$50 for each offense. Each day that such violation continues shall constitute a separate offense.

12.6 BOARD OF APPEALS. The Board of Appeals shall consist of five members and two associate members, who shall be appointed and act in all matters under this by-law in the manner prescribed by Chapter 40A of the General Laws as amended. They shall have the following powers:

12.61 Appeals. To hear and decide appeals taken by any person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of Chapter 40A, General Laws, or taken by any officer or board of the Town, or taken by any person aggrieved by any order or decision of the building inspector or other administrative official in violation of any provision of Chapter 40A, General Laws, or by this by-law.

12.62 Variances. To authorize upon appeal, or upon petition in cases where a particular use is sought for which no permit is required, with respect to a particular parcel of land or to an existing building thereon, a variance from the terms of this by-law where, owing to conditions especially affecting such parcel of such building but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this by-law would involve substantial hardship, financial or otherwise, to the appellant, and where desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of this by-law but not otherwise.

12.63 Special Permits. To hear and decide applications for special permits for exceptions as provided in this by-law, subject to any general or specific rules therein contained, and subject to appropriate conditions or safeguards imposed by the Board. Special Permits shall normally be granted unless, because of a condition peculiar to the particular case but not generally true for similar permitted uses on other sites in the same district, it appears that nuisance, hazard, or congestion will be created, or for other reasons there will be

substantial harm to the neighborhood or derogation from the intent of the by-law, or that the stated district intent will not be satisfied.

SECTION 13. AMENDMENTS

This By-law may from time to time be changed by amendment, addition or repeal by the Town Meeting in the manner provided in Sections six and seven of Chapter 40A and repetitive proposals for amendment shall be governed by Section eight of Chapter 40A of the General Laws, and any amendments therein.

SECTION 14. SEPARABILITY

The invalidity of any section or provisions of this By-law shall not invalidate any other section or provisions of this By-law.

SECTION 15. APPLICABILITY

Where the application of this by-law imposes greater restrictions than those imposed by any other regulations, permits, restrictions, easements, covenants or agreements, the provisions of this by-law shall control.

SECTION 16. EFFECTIVE DATE

This By-law shall take effect when, following adoption by the Town Meeting, it is approved by the Attorney General of the Commonwealth of Massachusetts, and is published or posted, as provided by law. Upon its effective date, it shall supersede the Zoning By-law and all amendments to it previously in effect.

ARTICLE 2. DISTRICT REGULATIONS

SECTION 21. ESTABLISHMENT OF DISTRICTS

21.1 For the purposes of this By-law, the town of Millbury is hereby divided into the following zoning districts.

Residential
Suburban I
Suburban II
Business A
Business B
Industrial

21.2 The boundaries of these districts are defined and bounded on the map entitled "Zoning Map, Town of Millbury," dated January 14, 1971, on file with the Town Clerk. That map and all explanatory matter thereon is hereby made a part of this By-law.

21.3 Where uncertainty may exist with regard to the boundaries at the various Zoning Districts, the following rules shall apply:

21.31 Unless otherwise indicated, district boundaries are the center lines of streets, ways, alleys, parkways, waterways, or rights-of way of public utilities and railroads, or perpendicular or radial thereto.

21.32 Other district boundary lines not listed in the preceding section shall be considered as lines paralleling a street and at distances from the side lines of such street which are stated on the zoning map.

21.33 Other district lines not listed above shall be considered as lot lines.

21.4 Where a district boundary line divides any lot existing at the time such line is adopted, the regulations for any district in which the lot has frontage on a street may be extended not more than thirty feet into the other district.

SECTION 22. RESIDENTIAL DISTRICTS

The intent of Residential Districts is to provide for a range of

dwelling types in areas with existing development at relatively high densities and with public utility service.

22.1 In a Residential District, only the following uses are permitted:

22.11 Permitted Residential Uses:

One- or two-family dwelling other than a mobile home.
Boarding, lodging or tourist homes.

22.12 Permitted Community Service Uses:

School or college
Religious, sectarian or denominational buildings or uses
Nursing, convalescent or rest home, or hospital
Cemetery
Municipal use not elsewhere more specifically cited
Philanthropic institutions

22.13 Other Permitted Principal Uses:

Agriculture
Florist Shop
Parking to service a permitted use
Standard golf course

22.14 Permitted Accessory Uses:

Home Occupation, in accordance with Section 41
Roadside stand for goods principally produced on the premises

Parking to service a permitted use, but not including more than one commercial vehicle or any construction equipment or any truck over 1½ ton

Other customary accessory uses

22.2 In a Residential District, the following principal uses are permitted if granted a Special Permit for an exception by the Board of Appeals:

Multi-family dwelling, provided that it is serviced by public water, and provided that access from a major street as herein defined does not require use of a minor street substantially developed for single-family homes.

Non-profit club or lodge

Par-3 golf course

Public utility without service yards

Temporary structures or uses not conforming to this by-law

22.3 In a Residential District, no lot shall be built upon or changed in size or shape except in conformity with the following:

District	Minimum Lot Area	Min. Lot Frontage
Residential	12,500 s.f.*	100 ft.

Minimum Yards	Max. Lot Coverage	Max. bldg. Height
Front		
Side, Rear		
25 ft.	30%	30 ft.

* For each dwelling unit in excess of two, increase lot area by 4,000 s.f. plus 600 s.f. per bedroom.

SECTION 23. SUBURBAN DISTRICTS

The intent of Suburban Districts is to provide for low density one- and two-family development at moderate density (Suburban I) where public services are provided and at low density (Suburban II) where they are not.

23.1 In a Suburban District, only the following uses are permitted:

23.11 Permitted Residential Uses:

One- or two-family dwelling other than a mobile home
Boarding, lodging or tourist homes

23.12 Permitted Community Service Uses:

School or college
Religious, sectarian or denominational buildings or uses
Nursing, convalescent or rest home, or hospital
Cemetery
Municipal use not elsewhere more specifically cited
Philanthropic institutions

23.13 Other Permitted Principal Uses:

Agriculture
Florist Shop
Milk processing plant
Parking to service a permitted use
Standard or par-3 golf course

23.14 Permitted Accessory Uses:

Home Occupation, in accordance with Section 41
Roadside stand for goods principally produced on the premises
Parking to service a permitted use, but not including more than one commercial vehicle or any construction equipment or any truck over 1½ ton
Other customary accessory uses

23.2 In a Suburban District, the following principal uses are permitted if granted a Special Permit for an exception by the Board of Appeals:

Multi-family dwelling, provided that it is serviced by public water, and provided that access from a major street as herein defined does not require use of a minor street substantially developed for single-family homes.

Earth removal in accordance with Section 42

Non-profit club or lodge

Public utility, without service yards

Airfield or heliport

Veterinary, animal hospital, or kennel

Temporary structures or uses not conforming to this by-law

23.3 In a Suburban District, no lot shall be built upon or changed in size or shape except in conformity with the following:

District	Minimum Lot Area	Min. Lot Frontage
Suburban I	16,000 s.f.*	125 ft.
Suburban II	40,000 s.f.*	150 ft.

Minimum Front	Yards Side, Rear	Max. Lot Coverage	Max. bldg. Height
25 ft.	10 ft.	30%	30 ft.
25 ft.	10 ft.	30%	30 ft.

* For each dwelling unit in excess of two, increase lot area by 5,000 s.f. plus 800 s.f. per bedroom.

SECTION 24. BUSINESS DISTRICTS

The intent of Business Districts is to provide for commercial service in a pattern compatible with existing high density commercial

development (Business A) or appropriate for auto orientation where space permits (Business B).

24.1 In a Business A or B District, only the following uses are permitted:

24.11 Permitted Residential Uses:

One- or two-family dwelling other than a mobile home
Boarding, lodging or tourist homes

24.12 Permitted Community Service Uses:

School or college
Religious, sectarian or denominational buildings or uses
Nursing, convalescent or rest home, or hospital
Public utility
Cemetery
Municipal use not elsewhere more specifically cited
Non-profit club or lodge
Philanthropic institutions
Airfield or heliport
Veterinary, animal hospital, or kennel

24.13 Permitted Business Uses:

Business or professional offices
Retail sales and services except building materials or construction equipment, and motor vehicle service station
Personal services
Restaurant
Funeral home or mortuary
Commercial amusements and recreation
Building tradesmen and contractors
Motel or hotel
Printing and publishing

24.14 Other permitted Principal Uses:

Agriculture
Parking to service a permitted use
Radio station
Milk processing plant
Standard or par-3 golf course

24.15 Permitted Accessory Uses:

Home Occupation, in accordance with Section 41.
Roadside stand for goods principally produced on the premises
Accessory parking
Other customary accessory uses

24.2 In a Business A or B District, the following uses are permitted if granted a Special Permit for an exception by the Board of Appeals:

Multi-family dwelling
Motor vehicle service station in accordance with Section 43
Earth removal in accordance with Section 42
Temporary structures or uses not conforming to this by-law

24.3 In a Business District, no lot shall be built upon or changed in size or shape except in conformity with the following:

Use & District	Minimum Lot Area	Min. Lot Frontage
For Dwellings	12,500 s.f.*	100 ft.
For other use		
Business A	no. req.	no req.
Business B	16,000 s.f.	125 ft.

Minimum Yards Front	Side, Rear	Max. Lot Coverage	Max. Bldg. Height
25 ft.	10 ft.	30%	30 ft.
25 ft.	no req.†	80%	40 ft.
30 ft.†	10 ft.†	40%	40 ft.

* For each dwelling unit in excess of two, increase lot area by 4,000 s.f. plus 600 s.f. per bedroom.

† Increase by 25 feet where abutting a Residence or Suburban district. Thirty percent of required yard area shall be free of any paving and maintained with vegetation.

SECTION 25. INDUSTRIAL DISTRICTS

The intent of Industrial Districts is to provide exclusively for environmentally compatible industry in areas suited to that use by access, absence of conflicting use, and services.

25.1 In an Industrial District, only the following uses are permitted:

25.11 Permitted Community Service uses:

- School or college
- Religious, sectarian or denominational buildings or uses
- Nursing, convalescent or rest home, or hospital
- Public utility
- Cemetery
- Municipal use not elsewhere more specifically cited
- Non-profit club or lodge
- Philanthropic institutions
- Airfield or heliport
- Veterinary, animal hospital, or kennel

25.12 Permitted Business uses:

- Business or professional offices
- Building materials or construction equipment sales or storage
- Retail sales and services except water vehicle service station
- Personal services
- Restaurant
- Funeral home or mortuary
- Commercial amusements and recreation
- Building tradesmen and contractors
- Motel or hotel
- Printing and publishing

25.13 Permitted Industrial uses:

- Manufacturing, processing or research, other than asphalt plants
- Bulk storage, warehousing, wholesale distribution
- Stone and monument works

25.14 Other Permitted Principal uses:

- Agriculture
- Parking to service a permitted use
- Radio station
- Standard or par-3 golf course

25.15 Permitted Accessory uses:

- Home Occupation, in accordance with Section 41
- Roadside stand for goods principally produces on the premises
- Residential uses incidental and necessary to industrial establishment

Accessory parking

Other customary accessory uses

25.2 In an Industrial District, the following uses are permitted if granted a Special Permit for an exception by the Board of Appeals:

Earth removal in accordance with Section 42

Freight or transportation terminal, if not within 800 feet of more than two dwellings

Motor vehicle service station in accordance with Section 43

Temporary structures or uses not conforming to this by-law

25.3 In an Industrial District, no lot shall be built upon or changed in size or shape except in conformity with the following:

District	Minimum Lot Area	Min. Lot Frontage
Industrial	80,000 ft.	150 ft.

Minimum Yards		Max. Lot Coverage	Max. Bldg. Height
Front	Side, Rear		
30 ft.*	20 ft.†	40%	No req.

* Thirty percent of required yard area shall be free of any paving and maintained with vegetation.

† If abutting a Residence or Suburban district boundary, increase to 100 ft., of which 40 feet shall be free of any paving and maintained with vegetation.

ARTICLE 3. GENERAL REGULATIONS

SECTION 31. NON-CONFORMING USES

The use of any structure or land lawfully existing at the time of the enactment or subsequent amendment of this By-law may be continued although such structure or use does not conform to provisions of this By-law, subject to the following conditions and exceptions:

31.1 ABANDONMENT. A nonconforming use which has been abandoned, or discontinued for a period of one year, shall not be re-established and any future use shall conform to the By-law, except in the case of land used for agriculture, horticulture, or floriculture where such non-use shall have existed for a period of five (5) consecutive years.

31.2 ALTERATIONS. A nonconforming structure may not be altered or reconstructed to the extent that the cost of such alterations over any twelve month period exceeds fifty percent of the market value of the structure at the time of the change, excepting residential structures, for which no limitation is set.

31.3 EXTENSION. No increase in the area or extent of the nonconforming use of a structure or land may be made.

31.4 RESTORATION. Any nonconforming structure damaged by fire, storm or other causes may be repaired or rebuilt as a nonconforming structure provided that such rebuilding does not exceed seventy-five percent of the structure's market value. Any restoration beyond that extent, and any restoration not completed within two (2) years after such catastrophe, must conform to the provisions of this By-law.

31.5 CHANGES. A nonconforming use may be changed to a more nearly conforming use, and once changed to a more conforming use, no structure or land shall be permitted to revert to a less conforming use. On Special Permit from the Board of Appeals, the use of premises may be changed from one nonconforming use to another which is no more objectionable to the neighborhood.

SECTION 32. DIMENSIONAL REGULATIONS AND EXCEPTIONS

32.1 EXEMPTIONS. Certain lots in subdivisions or in separate ownership are exempted from some of these requirements through Sections 5A and 7A of Chapter 40A, G.L. In addition, lots in non-residential districts and/or to be built upon for non-residential use shall enjoy the same exemption as if being built upon for residential use in a residential district.

32.2 YARDS. Article 2 notwithstanding, no building need provide a front yard larger than the average of the front yards of all existing buildings within 600 feet on the same side of the same street.

32.3 STREET LINES. Where no street line has been established or can be readily determined, such line shall be assumed to be twenty-five feet from the center of the travelled roadway for the purpose of applying this By-law.

32.4 CORNER VISION. No sign, opaque fence, hedge, or similar obstruction shall be permitted to block vision at eye level (2½ to 8 feet above street grade) between streets within 20 feet or less from their intersection.

32.5 SPLITTING TWO-HOUSE LOTS. Any lot on which more than one dwelling legally existed at the time of adoption of this provision may be divided and sold to separate owners provided that such division be made so as to create the minimum of non-conformance, provided that each resulting lot contains a dwelling, and provided that each dwelling has at least twenty foot frontage on a right-of-way to a public way.

32.6 ONE BUILDING PER LOT. Not more than one single-family dwelling shall be erected on a lot. Not more than one other principal building shall be erected on a lot unless each such building is served by access determined by the building inspector to be functionally equivalent to that required for separate lots by the Planning Board under its Subdivision Regulations.

SECTION 33. PARKING AND LOADING REQUIREMENTS

33.1 GENERAL. Adequate off-street parking must be provided on paved surfaces to service all parking demand created by new construction, whether through new structures or additions to old ones, and by change of use of existing structures. Such parking shall be either on the same premises as the activity it services, or within 500 feet on a separate parcel, which may be jointly used with other premises for this purpose. In applying for a building or use permit, the applicant must demonstrate that the following minimums will be met unless these are reduced on special permit from the Zoning Board of Appeals upon determination that special circumstances render a lesser provision adequate for all parking needs.

33.2 SCHEDULE OF REQUIREMENTS

Dwellings: two spaces per dwelling unit.

Motel, motor court, lodging house: one space per guest unit.

Offices, stores: one space per 150 s.f. leasable floor area.

Restaurant, place of assembly: one space per four seats.

Bowling alley: four spaces per lane.

Nursing home, hospital: one space per four beds.

Industrial, Wholesale: one space per 1¼ employees per shift.

Others individually determined.

33.3 PARKING AREA DESIGN. No off-street parking area shall be maintained within ten feet of a street line. Single-family residences shall not share egress. For parking areas of 6 cars or more the following shall apply:

- 33.31 Parking area use shall not require backing on a public way.
- 33.32 There shall be not more than one entrance and one exit from such lots per 200 feet of street frontage or fraction thereof. If necessary to meet this requirement, uses shall arrange for shared egress.
- 33.33 Such parking lots shall be screened from any abutting residential use by densely planted shrubs or a fence.
- 33.34 In a Residence or Suburban district, no such parking lot shall extend into a required yard.
- 33.4 Adequate off-street loading facilities and space must be provided to service all needs created by new construction, whether through new structures or additions to old ones, and by change of use of existing structures. Facilities shall be so sized and arranged that no trucks need back onto or off of a public way, or be parked on a public way while loading, unloading, or waiting to do so.

SECTION 34. SIGN REQUIREMENTS.

34.1 GENERAL SIGN PROHIBITIONS.

- 34.11 No sign or part of any sign shall flash or move.
- 34.12 No illumination shall be permitted which casts glare onto any residential premises, or onto any portion of a way so as to create a traffic hazard.
- 34.13 Prohibited are signs attached to any tree or utility pole, unless warning of danger, prohibiting trespass, or the like; pennants, streamers, advertising flags, spinners, or similar devices (See also Article 14, Section 4 of the Millbury by-laws).
- 34.14 No sign to which Section 30, Chapter 93, G.L. applies (generally speaking, billboards) shall be erected.

34.2 SIGN NUMBER AND SIZE REGULATION.

- 34.21 Permitted Signs in Residential and Suburban Districts.
 - (a) One sign for each family residing on the premises indicating the owner or occupant or pertaining to a permitted accessory use, provided that no sign shall exceed two square feet in area.
 - (b) One sign not over nine square feet in area pertaining to permitted buildings and uses of the premises other than dwellings and their accessory uses.
 - (c) One temporary unlighted sign not over six square feet in area pertaining to the sale, rent or lease of the premises or to construction on the premises. Temporary signs other than the above, such as advertising for political or civic campaigns, movements, or events, shall be allowed only within the limits prescribed for permanent signs.
- 34.22 Permitted Signs in Business and Industrial Districts.
 - (a) Any signs permitted in Residential or suburban Districts.
 - (b) Signs attached to a building, provided that they aggregate not more than fifteen percent of the wall area they are viewed with.
 - (c) One free-standing sign not more than sixty square feet in area.
 - (d) The total area of all signs, either attached to a building or free-standing, shall aggregate not more than two square feet per foot of lot frontage on the street towards which they are oriented.

34.3 SIGN PLACEMENT. No sign shall be placed within a required side or rear yard, or be placed within or project over a public way, or exceed the height of the building to which it is attached or related.

SECTION 35. ENVIRONMENTAL CONTROLS

35.1 DISTURBANCES. No use shall be allowed if it will cause sound, noise, vibration, odor, or flashing (except for warning devices, temporary construction work, assemblies of people, or other special circumstances) perceptible without instruments more than 400 feet from the boundaries of the originating premises if in an Industrial District, or if more than 200 feet from the boundaries of the originating premises if in a Business District.

35.2 WATER BODY PROTECTION.

35.21 Other provisions notwithstanding, no building or parking area shall be located within fifty horizontal feet of the normal bank of any stream or river having a year-round running flow of water, or of any lake or pond with surface of one thousand square feet or more of water eleven months of the year, and no sewage leaching field shall be located within 100 feet of such water bodies.

35.22 The peak flood channel of any year-round stream or river shall not be reduced by filling.

35.23 No person shall remove, fill, dredge or build upon any bank, marsh, swamp or flat borders on inland waters without a Special Permit from the Board of Appeals. Such permit shall be issued only upon determination that the requirements of the Hatch Act (G.L. Ch. 131, Sec. 40) have been satisfied, and that such removal. Filling dredging or construction will not pose hazard to health or safety.

35.3 POLLUTION CONTROL. All requirements of Article XI of the Sanitary Code of the Department of Public Health and all Regulations of the Central Massachusetts Air Pollution Control District shall be strictly complied with by all uses, and evidence of compliance shall be required in issuing permits.

35.4 SCREENING. Open Storage and loading or service areas shall be screened from any adjacent residence or public way by plantings or fences. Junk, trash or debris shall be confined out of sight or disposed of.

35.5 HAZARD. No use shall be allowed which would create hazard due to explosion, fire, or other causes. Potentially hazardous conditions shall be fenced, covered or removed to prevent injury.

SECTION 36. FLOOD PLAIN REQUIREMENTS

36.1 FLOOD PLAINS. All land lying below the following elevations (USGS datum) along the Blackstone River or its tributaries shall be considered flood plains, deemed to be subject to seasonal or periodic flooding:

412.7 feet from the Worcester City line to the McCracken Road Bridge; 408.2 feet from the McCracken Road Bridge to the State Highway 146 Bridge; 407.1 feet from the State Highway 146 Bridge to the Cemetery Road Bridge; 402.3 feet from the Cemetery Road Bridge to the New York, New Haven and Hartford Railroad Bridge; 400.8 feet from the New York, New Haven and Hartford Railroad Bridge to the West Elm Street Bridge; 398.6 feet from the West Elm Street Bridge to the South Main Street Bridge; 383.0 feet from the South Main Street Bridge to Schuster Dam; 364.5 feet from Schuster Dam to the Providence Road Bridge (State Highway 122A); 361.7 feet from the Providence Road Bridge to

the Riverlin Street Bridge; 356.7 feet from the Riverlin Street Bridge to the New England Power Company Dam; 348.5 feet from the New England Power Company Dam to the Cross Road Bridge; 342.6 feet from the Cross Road Bridge to the Sutton Town Line.

36.2 USES PERMITTED. Any use otherwise permitted by this by-law shall be permitted within such flood plains, subject to the following restrictions:

36.21 No building permit for any building other than an accessory building shall be issued for construction within such flood plain except on approval of a Special Permit for an exception by the Board of Appeals.

36.22 Such Special Permit shall be issued only if it is demonstrated by the applicant that the proposed development will pose no hazard to the health or safety of the occupants thereof.

36.23 Without limiting the generality of the foregoing, the following are presumed to be hazardous to health or safety within Flood Plains:

a. Floor level of structures for human occupancy established at an elevation lower than the control elevations defining flood plains.

b. Individual sewage disposal systems at an elevation lower than the control elevations defining flood plains.

c. Methods of filling or elevation subject to displacement by flood waters.

d. Failure to so design and secure any structure that it will not be floated off, battered off, or swept away by flooding to the control elevations.

e. Lack of means of egress entirely above the control elevations.

f. Failure to protect against gas, electric, fuel, or other utilities breaking, leaking, shortcircuiting, grounding, or igniting in the event of flooding to the control elevations.

ARTICLE 4. SPECIAL REGULATIONS

SECTION 41. HOME OCCUPATIONS

Home occupations are permitted if no more than 25% of the floor area of the residence is used for the occupation, not more than one person not a member of the household is employed on the premises in the occupation, there is no exterior display or storage or other variation from the residential character of the premises, traffic generated does not exceed that normally expected in a residential neighborhood, and all parking required to service the occupation is provided off-street, other than within a required front yard.

SECTION 42. EARTH REMOVAL

The excavation and removal from any premises of more than 50 cubic yards of sand, gravel, stone, topsoil or similar materials within any twelve-month period shall be allowed only on Special Permit from the Board of Appeals in accordance with Article 2, unless such removal is incidental to construction on the premises under a current building permit, or for road construction within an approved subdivision, or incidental to routine farming operations. A special Permit for removal shall be granted only subject to the following:

42.1 The application shall be accompanied by a plan indicating existing topography, base grades below which no excavation will take place, and existing and proposed cover vegetation.

42.2 Excavation areas and processing equipment shall be screened by buffer strips or other means, and noise and dust shall be controlled to meet the requirements of Section 35.

42.3 Following removal, all excavated areas shall be restored by grading to provide for drainage and for slopes not to exceed 1 foot horizontal to 2 feet vertical, and by covering with 4 inches of topsoil, and by planting with cover vegetation, which shall have been established prior to release of the bond.

42.4 A performance bond shall be posted in an amount sufficient to assure satisfactory fulfillment of the above.

SECTION 43. MOTOR VEHICLE SERVICES

43.1 **LOCATION REQUIREMENTS.** Motor vehicle service stations shall be granted a Special Permit only in conformity with the following:

43.11 No location shall be approved if a vehicular entrance or exit will be so located as to create unusual hazard. Egressing vehicles shall have at least 400 feet visibility in each travel direction, and no vehicular entrance or exit shall be located within 10 feet of a side lot line or within fifty feet of the intersection of sidelines of intersecting streets. Entrances and exits shall occupy not more than 40% of lot frontage, and shall be clearly channeled through use of curbed planting areas or similar devices.

43.12 No location shall be approved if a vehicular entrance or exit will be so located as to cross a major pedestrian flow, such as on sidewalks servicing churches, schools, recreation areas, or compact retail districts.

43.13 There shall be adequate space off-street for not fewer than two cars to await service per filling position, and no service building shall be located within 40 feet of a street line.

43.2 **CAR WASH REQUIREMENTS.** Automatic car washes shall provide space for not less than 15 cars per washing lane to queue off-street, and where waste water does not discharge directly into a public sewer, shall provide positive means of preventing water pollution.

SECTION 44. OPEN SPACE COMMUNITY

44.1 The Board of Appeals may grant a special permit for the construction and occupancy of an Open Space Community in a Suburban District, subject to the following regulations and conditions.

44.2 The intent of Open Space Communities is to allow relatively intensive use of land, while at the same time preserving open space for conservation and recreation; to introduce variety and choice into residential development; and to facilitate economical and efficient provision of public services.

44.3 Applicants for a permit for an Open Space Community shall submit to the Board of Appeals five copies of an application and of a plan meeting the specifications for a "preliminary Plan" as established by the *Subdivision Regulations* adopted by the Millbury Planning Board. Said plan shall also indicate proposed building uses (single-family, multi-family, retailing, etc.), building locations, and development schedule, and shall have been prepared by a landscape architect or registered architect or civil engineer.

44.4 Forthwith upon receipt of the application and required plans, the Board of Appeals shall transmit two copies of all these materials to the Planning Board, and one copy each to the Board of

Health and Conservation Commission for their review and recommendation.

44.5 In considering Special Permits under this paragraph, the Board of Appeals shall give consideration to the reports of the Planning Board, Board of Health, and Conservation Commission, and to the degree to which the proposed development conforms to the intent of Open Space Communities outlined in Section 44.2 above.

44.6 Any Open Space Community must conform to the following (except as provided in Section 44.7):

44.61 The community shall comprise at least 50 dwelling units on land contiguous except for intervening roads.

44.62 The total number of dwelling units shall not exceed the number for which the tract could have been developed, but for the provisions of this Section, as determined by the Board of Appeals.

44.63 Minimum lot area and frontage requirements for single-family dwellings shall equal 50% of those prescribed by Section 22.3. Multi-family dwellings and attached single-family dwellings shall be allowed, and shall be located on parcels containing not less than 900 square feet of open space per dwelling unit, exclusive of structures and parking. Side and rear yard requirements of Section 22.3 shall apply where the Open Space Community abuts other property, and are waived elsewhere. All other provisions of Section 22.3 shall be complied with.

44.64 Retail stores, offices and service outlets deemed by the Board of Appeals to be primarily servicing the residents of the Open Space Community shall be allowed, provided that not more than 5% of the overall land area of the development tract is allocated to such use, and at no time does the gross floor area occupied for such uses exceed 5% of the gross floor area of all structures occupied within the development tract.

44.65 All land not designated for roads, dwellings or business within the Community shall be preserved for recreation, conservation or public use, and shall comprise not less than 30% of the land area within the development tract. Preservation shall be guaranteed through one or more of the following:

1) Dedication to and acceptance by the Town of Millbury.

2) Dedication to and acceptance by the Millbury Conservation Commission.

3) Dedication, by covenant or comparable legal instrument, to the community use of the owners of the lots within the development tract and a Conservation Restriction deeded to the town, the land to be used for recreational purposes serving residents of the tract and non-paying guests only. Building coverage shall not exceed 5% in such dedicated areas. Maintenance shall be permanently assured through an incorporated home association, operating under a recorded land agreement through which each lot owner in the development is automatically a member and each lot is subject to a charge for a share of the homes association expenses; or through comparable arrangement satisfactory to the Board of Appeals.

44.66 Subsequent to approval of such Open Space Community, no land therein shall be sold and no lot line or structure altered so as to increase the extent of non-conformity with the provisions of Section 22.3 of this By-law.

44.7 A parcel located in a Suburban district, and containing 10 contiguous acres or more may be developed as an Open Space Community under the following conditions:

a) Sections 44.62, 44.65, and 44.66 shall be complied with.

b) Sections 44.61, 44.63, and 44.64 shall not apply.

c) Lots located in the Suburban II District shall be governed by the Suburban I District lot area, frontage, and yard regulations, and lots located in the Suburban I District shall be governed by the Residential District regulations of Section 21.3.

ARTICLE 5. DEFINITIONS

In this By-law the following terms have the following meanings, unless a contrary meaning is required by the context or is specifically prescribed.

Accessory Building or Use — A building or use customarily incidental to and located on the same lot with the principal building or use, except that if more than 30% of the floor area or 50 per cent of the lot area is occupied by such use, it shall no longer be considered accessory.

Bedroom — Any inhabitable room in a dwelling, other than a living room, dining room, kitchen, utility room, or bath if such room exceeds 60 square feet.

Boarding, Lodging or Tourist Home — A building with up to five rooms used for lodging, with or without meals, for compensation.

Building Height — The vertical distance from the mean finished grade of the ground adjoining the building to the highest point of the roof (or parapet) for flat or shed roofs, to the deck line for mansard roofs, and to the mean height between eaves and ridge for gable, hip, and gambrel roofs. Not included are spires, cupolas, TV antennae, or other parts of structures which do not enclose potentially habitable floor space.

Dwelling — A building or part of a building used exclusively as the living quarters for one or more families.

Dwelling, Multi-Family or Apartment — Premises containing three or more dwelling units, irrespective of ownership or tenure.

Dwelling, Single Family — Premises accommodating a single dwelling unit.

Dwelling Unit — A building or portion of a building providing living quarters for a single family.

Family — Any number of individuals related by blood or marriage, or not more than eight persons not so related living and cooking together in a single housekeeping unit.

Floor Area, Gross — The sum of the gross horizontal area of the several floors of a building and its accessory buildings on the same lot, including the area of basements, not more than 50% below grade, roofed porches and roofed terraces, but excluding areas with less than 6 feet floor to ceiling height. All dimensions shall be measured between exterior faces of walls.

Golf Course, Par Three — Course, including customary accessory buildings, where tee to hole distance averages less than 80 yards and not more than 250 yards.

Golf Course, Standard — Course, including customary accessory

buildings, where tee to hole distance averages not less than 250 yards.

Home Occupation — A business or profession engaged in within a dwelling by a resident thereof as a use accessory thereto.

Lot — A continuous parcel of land with legally definable boundaries.

Lot Area — The horizontal area of the lot exclusive of any area in a street or recorded way open to public use. At least 90% of the lot area required for zoning compliance shall be land other than that under water nine months or more in a normal year, other than any marsh, swamp, or flat bordering on inland waters, and other than land within utility transmission easements.

Lot Coverage — Percentage of total lot area covered by structures or roofed.

Lot Frontage — That portion of a lot fronting upon and having access to a street. Measured continuously along one street line between side lot lines, or in the case of corner lots, between one side lot line and the midpoint of the corner radius, and not to include frontage within utility transmission easements. May alternatively be measured at the required setback line provided that 75% of requirement can be met at the street line.

Major Street — All state-numbered highways (Rts. 20, I-90, 122, 122A, and 146), Auburn Road, Carleton Road, Elm Street, Grafton Street, Greenwood Street, Howe Avenue, Martin Street, Millbury Avenue, McCracken Road east of Greenwood, North Main Street Stone Road, Sutton Road, West Main Street, plus any streets subsequently laid out with right-of-way width of 60 feet or more.

Mobile Home — A moveable or portable dwelling built on a chassis, designed for connection to utilities when in use, and designed without necessity of a permanent foundation for year-round living.

Motor Vehicle Service Station — Premises devoted primarily to retail sale of fuels and lubricants and/or washing of motor vehicles, with any repair services or other sales or services of secondary importance.

Parking Space — Space adequate to park an automobile, not less than 9 x 20 feet, plus means of access. Where spaces are not marked, each space shall be assumed to require 350 square feet.

Sign — Any device designed to inform or attract the attention of persons not on the premises on which the device is located, including any building surfaces other than windows which are internally illuminated or decorated with gaseous tube or other lights. The following, however, shall not be considered signs within the context of this by-law:

- a) flags and insignia of any government except when displayed in connection with commercial promotion,
- b) legal notices, or informational signs erected or required by government bodies,
- c) temporary signs erected for a charitable or religious cause,
- d) temporary signs inside display windows, covering not more than 30 percent of window area, illuminated by building illumination only,
- e) standard gasoline pumps bearing thereon in usual size and form the name, type, and price of gasoline,
- f) integral decorative or architectural features of building, except letters, trademarks, moving parts, or parts internally illuminated or decorated with gaseous tube or other lights,
- g) signs guiding and directing traffic and parking, not exceeding 2 sq. ft. in area, and bearing no advertising matter.

Sign Area — The surface area within a single continuous perimeter enclosing all the display area of the sign, but not including structural members not bearing advertising matter unless internally or decoratively lighted.

Street — A way providing legally sufficient frontage for sub-division of land under the requirements of Chapter 41, Section 81L General Laws.

Structure — Anything constructed or erected, the use of which requires fixed location on the ground, or attachment to something located on the ground, including swimming pools having capacity of 4,000 gallons or more and mobile homes, but not including walls or fences.

Yard — A required open space, unoccupied and unobstructed by any structure or portion of a structure, except the following:

- a) fences, walls, poles, posts, and other customary yard accessories, ornaments, and furniture;
- b) in front yards only, eaves, steps, and noncovered porches.

Yard Front — A yard extending between lot side lines across the front of a lot adjacent to each street the lot adjoins.

Yard, Side or Rear — A yard other than a front yard.

The Finance Committee recommends favorable action on this article.

ARTICLE 102. To see if the Town will vote to amend Article 15 of the General By-laws of the Town of Millbury by deleting Section 4 therefrom.

The Finance Committee recommends favorable action on this article.

ARTICLE 103. To see if the Town will vote to accept Section 8 of Chapter 40A of the General Laws.

The Finance Committee recommends favorable action on this article.

The Finance Committee recommends and moves that the sum of Seven Hundred Dollars (\$700.00) be raised and appropriated for the purpose of this article — Article 45.

ARTICLE 104. To see if the Town will vote to raise and appropriate a sum of money to construct a building, to house equipment used at the Sanitary Landfill, at the Sanitary Landfill Site, on Riverlin Street, or take any action thereon.

The Finance Committee recommends and moves that the sum of Fifteen Thousand Dollars (\$15,000.00) be raised and appropriated for the purpose of this article.

The polls will open at 8:00 a.m. and shall be closed at 6:00 p.m.

Given under our hands this second day of February in the year of our Lord one thousand nine hundred and seventy-one.
